Amazingggg.

Mr. Sage Innocent !!

He is person of Assam, India of the Continent of Asia. Too far from the Norway, where he wants to play some matches of the World Famous Nobel Ground. He calls it like as WORLD NOBEL GROUND. It's his self declared ground of International Competency, especially meant for Literary Competition. He decided not it before. But looking the Results of Nobel Laureates in World Literature year after years, decade after decade's of grappling grapes in vains, makes Mr. Sage Innocent an desirable option of that Party's Political Pattern injustice. To him there they openly play some soccer meant for the Team's Nuisance. Definitely, a gambling game of grainers greatest gifts, Designed to Disoffers for distant Indians. Mr. Sage Innocent becomes puzzled each year. He can't find out the Results of Justice, if the whole world is residing under the Global Village.

Mr. Sage Innocent is not ignorant that our Indian Patronage RN Tagore, in 1913, won this Prestigious Award for his GITANJALI -- A Collection of Poems. He counts his fingers each year, since his memories are connected.

Hey !

Why there is such a great gap not to be procured by our Indian Brilliants Writings ? Why they've been defining those Scholar-Skilled ? If someone from far countries like ours in long distance, could be ground the golf's gallantry going into the Fields of Science, Medicine, Technology, Philosophy and Space Technology, like in NASA, ESA, CNSA, JAXA, CSA and RosCosMos, why not any Indian Writings getting Done-&-Recognized.

Mr. Sage Innocent has seriously been repented for it's Failed Fantastic Beasts Blowing Bombardments. What's an injurious Injustice !

He asks it himself.

He has been going on with asking it repeatedly. But, all good goes gambling gainth.

So, this very serious person becomes dangerously disappointed. Nobel Results neglect his own Perfectness in uniquely Findings.

No profit no profile at all.

On this Brown Banks of Mighty Brahmaputra, riding downflow right from its blinking bit of little drops of watery resources at the definite pinpoint at Yarlung Tsangpo of Southwestern Tibet. Originate from Angsi Glacier, formerly thought to be it's Glacier Chemayungdung, near Mount Kailash and Lake Nansarovar. The pinpoint is in between 39.65°N X 81.45°E Lati-Longiyudes at the height of 4,590 meters from Sea Levels approximately.

Our Mr. Sage Innocent understands something exactly different from other Brilliant Scholars. He is the Super Shower many a time. Some people jock him jacked by calling Supersonic too. That he never deny. Never abuse others. Almost like Indian Prime Minister Narendra Modi. -- The Pioneer of Digital Development. Mr. Sage Innocent understands his PM, understands his Nation and National Responsibility too. He is Unique ! He is Superb Projector also !! (3508carac)

Exactly Correct. Mr. Sage Innocent is really perfect in his thoughts and conducts. Whatever he likes, whenever he tries and whichever he wishes, all these things come to Stagespot. No delay. No customized perfumication too. He is Mr. Perfect.

It's Monday, Nov 3, 2025. Timing : 18.54 //local time ; 13.23//GMT, when a slow moving vehicle stopped at a busy traffic signal and then the White Hyundai i20 exploded severely. This Red Fort Explosion took lives of 13 people and wounded 27 others.

The National Investigation Agency (NIA) immediately took charge of the Delhi Cat Blast. They took the scopes of investigation from Two Promising Directions. First, from the angle of Machinery Defects ; and, Second, from the angle of Terror Suspension. They interrogated 73 Witnesses including a few of the Injureds also.

NIA said it had seized another vehicle allegedly to Suicide Bombers for examination. It also announced that the Historic Red Fort experienced that it was the First Bomb Blast in its nearest premise. Such Terror Blast took place there exactly before 2011.

The man accused to this Terror Attack belongs to Indian Administered J&K.

Mr. Sage Innocent was also appointed there in Rajouri, J&K, till his retirement in July 1994

He dedicated his service there with EME Col. CJS Arora. A tall body from Punjab.

Col. Arora was very very sincere in his duties. An intelligent Army Commander. He was happy with Mr. Sage Innocent, as his Education JCO. It's next to Commission Officers, Grade - I. JCO comes under this Category in Indian Army.

Mr. Sage Innocent took VRS in July 1994.

Col. Arora signed on his Pension Documents in Rajouri EME Bn. and sent the Closing File to AEC Records, Pachmarhi, MP. PIN - 461881, India.

On Monday, Jul 4, 1994 Mr. Sage Innocent arrived home in Assam after few days' holding in Pachmarhi, MP.

These days are called as Pension Preparatory Period. (PPP).

Mr. Sage Innocent called it PPPIP (!)

A very rare abbreviated form to use and understand by others. But, he was Sure For.

There he finds someone else who is going to shine   on the Dreamland .

Yes. She's someone divinely Glamour. Starlight blooms all around. She is pretty ✨ about her all dedications. Mr. Sage Innocent becomes ❤️👑 within his divinely powers.

These all Capacities soldierly he brings to share with the Earthly People.

He knows his all Bignight Secrets.

There in his home town Moran,

Fifth MORAN GRANTHAMALA

was soundly organised by SRIJAN associated with Moranvasi Citizens.

Venue : Arunoday Singh's premise, Lachit Nagar

Dated November 16 - 23, 2025.

On Sunday, Nov 16, 2025 at around 10.30am, Mr. Sage Innocent visits his bright site for installed BOOK STALL -- B U N I Y A D - A partnership book distributor.

Last evening at around 9.45pm, from the very Book Fairs' Ground at Lachit Nagar, Moran, Chandra Handique, his pet DTP Assitant requested him to share his recently published 📖 Two 📖📖📖 scholarly paged and paved books, namely, AASHIRWAD - 2025 and KIRTAN BYAKHYA DARPAN on the Grantha Bipani bright.

Chandra Handique is fully attached with his these Two 📖 Books. Being a Number One Employee of Pahi Offset Press, Moran he knows each details of Mr. Sage Innocent. He has components each letting word as per direction of the author.

The Author kept his valued askings. So Mr. Sage Innocent goes there, gives them Thirty Books, in total. There he gives Twenty Books of KIRTAN VYAKHYA DARPAN and Ten Books of AASHIRWAD -- A Slide of Neopoetry.

Neopoetry is his Self-Chosen literary brand of something scholarly scoped pictures 🖼️👉 in his practical knowledge dilemma based on Indian Army Background. It's a nice and stant in the field of

Neopoetry. A successful 🏆💪 contribution to the whole world of literature. It's well designed, prince👑💪 ly printed and wisely presented to the Nation India.

On Preface Page No. [v] the author writes,

THIS BOOK IS SOLEMNLY DEDICATED TO MY NATION INDIA.

An EverlyBrilliant Dedication.

Beacase, along with this Significant Consents he also 📖 presented 69 Books 📖 to the Prime Minister for Free Distribution Among VVIPs and Foreign Delegates whenever he goes to visit any country.

This is

An Everly Brilliant Dedication.

Perhaps, none before him thought so. And to do so.

River Yamuna might not have.

But, here's The River Mighty Brahmaputra has its Two strogly Armed Embankments.

River Yamuna losts her Big Legendary. Radha still weeping with multiple allowances. Lord Krishna trips her to be calm. But she can't wait for His defamation. Didn't He betrayed her at their Elitetely Eligible hours of Coupling surrounds.

Perhaps, each man is tactful but definitely deceived sometimes somewhere by someone someway.

It's happened to 💔💔 Zubeen Garg also. Just before last breath of chances. He took something more as usually he used before his Every Schedule Program of Musics.

He jumped to bath in that Sea Off Site.

Not to sing his last of the Lash

Not to his all credits in abroad

Not to resign too

Here's his all-night brethren
Jubilee couldn't appeal his return
No mercy for his Disoblize
No gain to go except my Divine.

Mr. Sage Innocent felt sadly all those about the Big Sadness. He knows,

Everything gone before
Everything goes now and often that's for good.
Everything will go sameway as God decides before Indeed.

DDD !

He uttered insanely,
Drug Daughters Dust !!

At that moment, there's none to care him nonsense. Sad.....

Mr. Sage Innocent becomes more serious nowadays.

Sometimes he thinks so such in his heartily he     art's
extream depth that he walks nowsy like some  ~~StrayKids~~  dogs,
which are aimed to kill ended just for some Greediness of Human
Beings. A typical Decision of Our Supreme Court Judges. The Head
of a country, if not dezired so to vacant the Roads of the Country, the
Nation can't claim any remuneration for such Strays but not at home.

Mr. Sage Innocent talks with nobody for manage critical him in his
own soccity.

He scolds and scores no! for himself. But he always keeps himself
busy with nobody nowhere.

He preferrs to remain calm and cool like the soil obedience.

Yes. Here's nothing over burden. No word is mis-Spelled. What I
mean to    mean to say that if some big portion of the ground
under your feet, cut and throw in waterlogged suspensions, would
that cry for safety ?

If it's pinned and burnt would it defended ??

Also if your all agri- field wasted by snowy gestures.

Wow ! What's an Intelligence.

PoLHEDGE ASSAM.

That's an early Winter Morning in Kajiranga. -- A Big Forest of India. Well cited from a little distance from NH 37. The Winter blown up all swearing songs. Heartthrob Jubeen Garg still sings here all around Assam. He's no rest even after his Suspected Death in far Singapore Sea off. O what's a great talent. What's a sweet voice he had been. No age, no sex, no community, no unsigned insincerity.

Jubeen is an eversinging bard.

Wherever goes there he sings always.

Whenever he sings there he gets large number of historic site and chambers of Fulhams. His songs are significant always. All category of people of Assam like him as their very heartthrob anarchy. A gallery of musical assignment. But on September 19, 2025 he dipped for the last breathe absorbed on this earth. He went to Singapore to sing his last episode. What's a big saddy seashore sadness. Many people demanded justice of his suspect untimely death occurrence.

Mr. Sage Innocent could not believe him dead natural. It's understand to that once he had been treasured in burn, he wouldn't, I respect all response of regards respectft. He wouldn't come back again.

Never to stand on the stages to sing his hit songs to make the environment hottest. He closed his all charms of 52 sISprings last to sign this Wintery Album. Jubeen is no more. Sad.

Sad a lot of mourns.

Sad enough to all his fans and friends.

Sad to say that Heartthrob Zubeen already becomes the Big Brilliant 😊 for ever.

He murmurs just like a small school boy of the most remote locality of his country, where there is none to repent, none to report and nonetheless one who crimes against humanity the best way of Terror Angle. Mr. Sage Innocent is really sad for his sadly sadness.

It was a rainy day. There on the Himalayans foothifoothills seen ♥ lovely♥ and lonely. Ganga was looking shy and ☆ ✨ shine more better than before. Her husband XXXXXX was too busy to collect the Woods from the deep forest 🌲 nearby. On the same way he was collected 🧤 🧢 dress and dry grasses for their Five cows and 3 Buffalos.

In those Hill areas generally women do all these commitments. Makes keep they away from such type of Grass cuttings and wood gatherings to keep preserved for those dreadly frozen ❄️ 🧑‍❄️ winters. There, in the Himalayan regions winter ❄️ 🧑‍❄️ doesn't come alone 😞.

Winters come with Rain and Rainbows.

Hardoi is situated South of the Ganges River's tributaries and is part of UP, India. It's within Lucknow Division. 🤔 Secret Silence.

Remember,

Each Day Starts from The East Always.

Each Thought Arises in The East First.

Each Philosophy Enters FIRST 🏆 in The East.

And,

Each Person is Diplomatically Related with Highest Pioneering Experiments in the East.

There maybe some big Divisions like 🐰🍷🍷 Eastern Philosophy and Western Philosophy;

Sometimes like European Culture, Indonesian Culture, GR Greeks Theory, JapaneseJP Fashion, BritishGB👤GB Patterns, NorwayNONONO Glads, Singhalese School📖📖Schools, Muslim Burke, 🏠Christmas Day, Kumbhakarna Nidra and so on so forth.

But All those are 😊😊 Funny.

These're there wherever we are.

Funny is a big 🚗🚗🚗🚗🚗🚗Business all around the world.

Funny is well accumulated in our brain cells.

Let's go back home now.

Mr. Sage Innocent visited Moran Grantha Mela - 2025 at Lachit Nagar to look around all the corners of its premises.

On the Main Gate, attached to NH 37, Anil Gogoi, a School Business Man from his BATAMARA local-corner with others WELCOME him to his BookLET BookSHOME.

Mr. Sage Innocent spaced slowly all inside.

Fine to look 😊 nice to smell.

Because, Each book has Newly smells something like that the early cough syrup gets everyone relaxed.

Another important theme of books 📖 little👉 bit as follows:

Each Book Smells like a newly born baby on her Mother's wombly sides. A Wombat Thread in Australia ! Marsupial !!

That visitors from different colors in The Brooklyn Bridge and Britainian's Accomplishments.

Mr. Sage Innocent found himself the smallest one amongst all those Booklets.

BANALATA, BUNIYAAD, DARSHAN, GYAANAM, MONIKOT, SATIRTHA and Many Book Stalls welcome all those Dealers and Book Lovers.

They welcome Mr. Sage Innocent also.

Jubeen sings alike alone on his Divinely 📺

Mr. Sage Innocent recited his one poetic 📖 but in silence ::

Suman has 2 sisters 👯. Ms. Nikki Phukan, M. A. in English is working at Some National Bank in Nagoan, Assam. And, Ms. Nimisha Phukan is her younger sister ❤️. She did her M. Bihpuria is located at the North Bank of Mighty River Brahmaputra. Bihpuria is at the distance between Guwahati to Bihpuria 320km approximately. And, Moranhat to Bihpuria via Bogibil it is 189.7km approximately.

Mr. Upen Phukan originally hailing from Sepon Hologuri of Charaideo District. He retired from APDCL as an Accountants Officer.

There was a new comer Assistant Engineer Mr. KK SAIKIA, B. Tech (Elect), from Golaghat, Assam. He was posted there as a Fresh. Mr. Upen Phukan greets him in the Office at Bihpuria Town.

Days gone ahead. The days after weeks. The weeks after the months; and, the months after and along with years by years. They became friends to each other. There's only one reason behind that both of them belong to District Sibsagar. They became close friends 👯 with one another.

Now, the same Electrical Engineer has been posted in MORAN.

Moran is located at a distance of 12km. from Sepon, which is Mr. Upen Phukan's birth place.

Whenever he comes to Moran, never forget to meet his old Engineer Friend Mr. KK Saikia.

After Prayers 🙏, at BATAMARA TINIALI SHIVA MANDIR, she returned home at around 12.37pm along with Neetu and her 😊 Cutest son Athava Kaushik Bairagi, He was born on Thursday, December 8, 2023. This is an 🧠 early programing language in the computer fields.

Neetu is 🏢 working there in MORAN COLLEGE, MORAN. She is MA In History with good marks. After doing her M A, she passed her B Lib Science from IGNOU, New Delhi. Mr. Prema Bora is a Retired JCO of Indian 🇮🇳❤️ Army. Recently he was surgically operated in Dibrugarh, Assam, India. That's how ? Neetu went to Khowang to take care of his 🩹 medicinal 📺 help at home.

This morning she returns from Khowang and called her Mother-in-Mother-in-Law, my wife Polly, to Moran Town. And 🤔 now they both with my Dr. Junior Gogo. Gogo is the Best Friend at PoLHEDGE ASSAM.

Gogo is so funny😄👉 to me that he keeps himself always closed to me. Sometimes I call him Mr. Fevicol. This is for his Younglyglues behind. I know👉 is Grand Father's dearest his Naati at his home. Also, he is quite closed to her Grandma always. My wife👩 calls him

Dhanmanu, --- that's her ChoicedChosen pat name regards to her youngest Big Care-off !

All Grandmaas are the Important Care Takers of Each Youngest Gogos all over the Biggest World !!

She is far beyond to the real 🤝 mother 🧐. Maximum times they used to complain against the Real Mothers. So they are too Great 🤝 GrandMothers.. It's also divinely attachment of the Big Nature. The biggest & 🍷 affectionate 🧐s on the Largest Laps.

III JOSHIMATH CHAPTER -- RESORTS IN HEAVEN III

Devprayag is the heavenly Shrine right from the days immemorial. There it was felt to be the Biggest Guest's House of God's. A Heavenly Resort.

The sun  was more brighter than today's to be.

The Sky was to be Trusted Sure for no recommendations. Today's Global Village was a pregnant figure with multiple nakedness all

around. Only one reason that in early days there was no big buildings to live. No ✂ Flights to travel through the sky. No roads no rooms. No clothes no closed. No next to rear no before to cry.

Every single day had no hours, no minutes, no seconds and no moments. Only Dark and Darkness all around. But, there was Divine Power from its very beginning. Might be looking through multi-microscopic devise. It's an amazing thing to think. In those days of multi-trillions years not, decades also not, but it's more than centuries, there was Someone Sincerely Livingbeing to LOVE.

There Mr. Sage Innocent pleases all those came to live like the Strongest Soldier stands on the country's border.

This ❄️🌅wintern morning is really very pleasant by the Nature.

Tiwink ! Tiwinkkkkk

Khiliik, khiliik, khiliik, tiwinkkkkkkk khliiiiiiik

Both the birds flying🦋 flying away from his glass 🪟window.

Both of them come to 🙏wishing him every morning. Never they come there to his window🪟 alone. Then after 😬II😬II😬 they look upon from a brush at little 🖐 bit distance from his window🪟.

Papa ! Chaiye !

OKay. -- Mr. Sage Innocent responded her in very swiftly. Neetu gone back to her kitchen. There he was bussy in writing 🖋 in his MANASKANYAA.

This is the 🖐 same way of 🙏his written📄 style.

Timing :: 6.39 am.

Mr. Sage Innocent began to chip his tea. He kept two small🖐🖐 pieces of his morning snakes had given alongside on the cup-plate.

He 🙏🗑🚫 writing🖋

for taking his tea.

Both birds came back 🔄 again to the 🦋🦋window sides just attached to his writing table.

This Writing🖋 Table is 📺 located nearby his Bed Permanent.

His Bedroom is of 12s Squire feet in size. There are

Three doors and one window. Out of those three doors🚪, the rightside meant to attached with The Main Bedroom and he left door

 attached to Kitchen, wherefrom Neetu brought his tea    prepared.

The third one attached to Drawing Room direct. That's towards the North.

There's a little gaps in between his Bed permanent and his Eriting Table.

Gogo  got up in his bed. There he  cried calling his Maa, Maa, Maaaaaaa.

Neetu brought him to do his Suchu-Suchuuuuuu.

It's his daily habits. He gets up,, cries,

Maa.....

Maaaaaa.....

Maaaaaaaas.....

In his own pattern Gogo 

gets up, cries, received  by his mother Neetu. Or by his Grandma, Mrs  Pushpanjali Gogoi Bairagi.

The same two birds went there back side premises also where Mr. Sage Innocent sat after his breakfast.

There was old Tanky on the

After few minutes Ryan returned from his night duty. She offered his tea   with greetings. Before his tea, Ryan washed face in the Wash Basing, inside the dining room table. Neetu and Gogo accompanied him for tes in their Bedroom.

There was a voice of Cokkkroowwwwe. A cock called so so.

Till then, in  between Morning 8.00am, Neetu responded her Outcoming calls on her Mobile.

The same cock, coming nearer to his South Side  window, began to crow    loudly.

More such crowings now began to sound from his southern corners.
Some more sounds like cack

crack crooko, crookkkkk, crookedddd crookedddd

In some distance from his house, rightly towards southern sides a few
dogs 🐶🐶 cried bhou, bhow, bhowwwwww etc.

This time one of these two 🐦 birds came to his same Windowfly. It
sat there on the planks. Looked around and made 🐦 fly from his
window.

It's regular habits of two Halikas.

There he 🛑 stops writing 🖋
on his tabl

Papa we're getting ready.

Neeru came with Gogo prepared for Marriage👰👰 of Suman-&-
Suryakiran, at Bihpuria, Lakhimapur, Assam.

Ryan, already got prepared for the journey after his tea.

Mr. Sage Innocent looked at the wall 🕒 glanced.

Timing :: 8:36am.

They started journey.

Papa Aami Jaom. -- Neetu asked for their Permission.

Kaka Bye bye 🙋

Gogo also took his special permission to go to
Bihpuria Marriage Ceremony.

Mr. Sage Innocent opened his Table Drawer. He handed over a fresh
Tenrupee Note to Gogo.

Do you want some money ? -- He asked Neetu.

No Papa, I'm having enough.

Whenever they go there for some little distance for attending any such programs in his Relationship Circle, habitually he offers Gogo Rs. 10/- Fresh Note just to donate to anyone who's poor.

This was done and given to Namrata also

He thinks,, by such little 🙌 bit offerings to the helpless Garibs may make them benefited. If the Poors are not helped by rich who will give them whats ! Who will care for these helpless !!

Offerings makes a person perfect 👍 all humanity. !!!

Timing :: 8.:45am, they started journey in his i20 Hyundai. Blue ● color 🚗.

He closed the Gate after their departure.

Today he is not feeling well.

Last evening he had been there in MORAN GRANTAMELA for his business. He became late. His 🦟🦟🦟 health strikes him from the Midnight.

Rather someone rejects a little offering of 10 rupees or something more than 10 +++ rupees

maybe a big helping to other people who are in needs.

God Helps Him Who Helps Others.

Before going to Bihpuria marriage Neetu kept 2🍏🍏 apples on his Tblewritting. She takes of her Father-in-Law always.

III BIG MEMORY IN LITTLE GOVERNANCE III

Yesterday he was busy just to get prepared some Big Memory in Little Coverage. Such as to see👁👁😁keep them closed in Hearts ♥👂 and Heavens.

Future🧠 Keeps Saying Past Always.

Yes,,

On Saturday, Nov 22, 2025 his wife Polly went to Bihpuria accompanied by HappyBa (Pratima Gogoi Mohan) Bandana and her son Jeeshuu and daughter Rakhii (Swaswati).

Happy Ba is her Second Elder Sister and lives in Shantipur, Sonari Town. Her husband Prof. Binanda Mohan died on Jul 7, 2015.

Sonari College is at a distance about 4.5km from Shantipur. His Sister-in-Laws Prof. Binanda Konwer was also there in the same college in the Dept. of English. Prof. Konwer's wife is Mrs. Phoola Mohan Konwer. She is the sister of Prof. Binanda Mohan. His elder brother Jibeswar Mohan, Principal of Thngkhong College, Dibrugarh. Principal Jibeswar Mohan (1940) is the Founder of Tingkhong College (Estb. 1972.).

In those days there's no Institution for Higher Education in entire locality of Greater Tingkhong including Lengeri, Mahmara, Rajgarh and Chachani.

They were born at Jajali Manikii Village.

This was the most Valuable Locality of Ahom Dynasty. In and around Mahmara there are the Priests of Ahoms, namely, Mohan, Deodhai, Bailung, Haukadhara, Lukhurakhan and Deodhai Phukan etc. etc.

The famous CHARAIDEO MOIDUM --- The CoinBiggest of those mighty Kings  laid their last remains greater privileges of Ahom Kingdom.

A World Heritage Site of NER, India.

Bandana is their youngest sister, who lives at Ushapur, Moran. Its a little walking distance from Moran Town. Her husband Prof. Robin Borgohain, served in Demow College of Sibsagar District. Moran Town is hardly at a distance of 3.678km from Thomson Tiniali, Batamara.

On the same evening at around 8.35pm when he was busy in writings  for his latest NeoTHRILLER, MANASKANYAA, Gogo came to his lap by force rather him given warnings . There's some

cover pages lying on his table. A few sketch pens also there on his table.

His Nati Gogo took at least 5/6 pens oppened and began drawing on his part of the covers of AASHIRWAD backCOVER. One after another he goes on Sketching his Arts. At that very moment Mr Sage Innocent was in serious mood of writing his own texts giving more interests.

There is no rest when he writes.

There is no gap when someone seems wilds.

Such way he continues to do some other things too. He says it many more times that if a work gets started by somebody there must be having some gaps, rests and accounting displeasures till it's finished. There he has observes that a large number of students having good intelligence failed before completion of their main targets .

This is really a serious disease of cisciplied. They spoil their own carriers before the definite target lost. A midtown hampers the journey. A big thunderstorm which stops 🚫 the car !

Mr. Sage Innocent couldn't stop him at his Colour Board.

But as usual as he put his eyes on the COVERS he said, Hey, Tumne Kya kiya hyai. Isse le jao yahanse ! He ordered to both of his mother and grandma.

Gogo was sent to his Mom for his care Soon.

Yesterday he prepared his eyes with utmost cares for descriptions in future. There these are :

- a) KAKA AND NATI
- b) NAMRATA'S NOTE BOOK
- c) DAUGHTER NEVER FORGETS
- d) DEVPRAYAG
- e) BLUE ROSE PUBLISHERS

--- Documentary etc.

These all in his Hand Touched PICTURES. Size --- 21.5 X 14cm

III NAMRATA ALSO LOVES LITTLE GOGO. III

Timing :: 7:23am

He tried to reach Mr. PRANAB THAKURIA,

Timing :: 10:32am

OIL Duliajan, Mr. PRANAB THAKURIA (Retrial)

Timing :: 10:355am tried to reach Mr. Abhishek Kuliya, Security Officer, hails from Dehradun.

He was sitting on the Garden Table, BackSide Garden all alone on the 🌻 Sun.

Timing :: 11:46am

He had a call from his wife Poly. She reported therefrom that,

JURUN AHILE

Aapuni ki karise ? Have you taken Medicine 💊 in the last evening? Take rest. No farming in the Backside Garden. Okay, Take care please.

NB.

In the same moment he got a WhatsApp from KAVerry.....

O' My God !

What's a great surprise 🎁📺

His darling is also on bedrest as Mr. Sage Innocent here's.

This Apple 🍏 Evidence wants Accuracy. 🟩 Okay?

He serves he attains satisfactions.

Thus,

Mr. Sage Innocent starts to think and to work from the very beginning parts of everything.

Srimanta Shankardev is the pious leader of Assamese society. If there's someone great in Assam, then he is Shakardev. If there was none except Shankardev, during Fifteen Centuries in & around this locality i.e. extremely grateful for this NER of India in East, all creditably he, yes only Shankardev could be better than would be here, all over this locality this Zenious had practiced for ☸ future 🧠 of Assamese society he got success as deep as the Prashant Ocean he became the Social Leader, he became the Spiritual Leader and, Thus he ➡ became GURU Srimanta SHANKARDEV.

III HOMOPHOBIC ASYLUM//U-TURN PATTERN III

Genius SHANKARDEV was shrined by those huge public along with number of scholars, religious dignitaries from various other fields and corners of Greater Assam. He was honestly placed as the Head of BORDOWA THAN, NAGAON, Assam, India. This Than was originally established by Mahendra Kandali, and Shankardev learnt from him being the Heart of Religious Contexts. Shankardev was born at Alipukhuri Village of the bit locality of Bordowa Land Grant. His Grandma Khersuti i.e. (KHERHUTI in Assamese Tongue) admitted him in this nearby Tool (this is called School). As this academic is completely conected with religious conducts, it was known as Than. That means the same tool,, newly named as Bordowa Than.

Under command and control of Guru Shankardev, this Religious Institution, gradually became famous and numbers of spiritual devotees began to get admitted therein. By the meantime, witnesses drew the attention  of Mahendra Kandali, and he also became disciple of Institution-Head Srimanta Shankardev.

He was born in 1447AD and died in 1568AD.

N. B. For his distinguished intellectual capacity, scholarly brilliance in Sanskrit and capability in command and controls over the huge disciples, he was declared as Mahapurush Srimanta Shankardev in a big conference presided over by Ex-Head Mahendra Kandali. Shankardev was Kaayasth by birth. Madhavdev, a popular scholar of Sanskrit became his disciple at Dhuwahat in 1522AD. He was 32 years old by this time and uprooted from Kachari Community.

Shankardev was designated by the highest title Mahapurush equivalent to nowadays' Ph D.

Among those disciples of Mahapurush Srimanta Shankardev the following scholars,

- a) Mahendra Kandali, --- the early teacher of Shankardev.
- b) Ramsaran -- A close friend of Shankardev at the time of first pilgrimage.
- c) Ananta Kandali -- A profound Sanskrit Scholar

Jagadish Mishra brought BHAGAWAT Puran from Kashi,.....

Now and onwards Mahapurush Srimanta Shankardev used to be treated as Avatari Purush among Vaishnavite Society. His way of teaching was distinctive as Supremo due to his Devotional Treatments only to One God i.e. VISHNU.

Bhagwaan has thousands of Names. All those hard to remember, vast to describe. GOD is many Forms ; Maybe Male Or, Maybe Female. Whom we regard them Best as

GOD or GODDESS.

So, one must not Insult the INDIAN MYTHOLOGICAL CONCEPTS of Devotion and Descriptions as cited in Vedas --- Divinely Empowerments..

III FAITH IN GOD FAITH IN GODDESS FAITH IN YOURSELVES TOO III

Lord Vishnu, profoundly declared that all other Gods and Goddess are His subordinates only. Since this very unique theme of High Graded scholarly devotions, Lord Vishnu was highly regarded by all in entire NE Region (NER) of India. Mahapurush Srimanta Shankardev became popular for this Philosophical Ideology, he had been treated as Next to God i.e. Lord Vishnu.

Mr. Sage Innocent carried on his study likewise here's from...

Every Hindu holds a view from the time of immemorial that the Vedas, the most honoured scriptures of the Hindus are not composed by any individual Seer Or,, Rishi on the event of Indian Civilisation. The Vedas are supposed to be  an outcome of Divine Knowledge  inspired by God, while He inhaled in HIS Eternal Sleep after the total annihilation of the universe, caused by Him. Srimanta Shankardev the idea as under ----

Jagata sanhaari suti achaa Narayana

prathama ;niscasme baaja bhula Vedagana.

(All Vedas were evolved from Narayana, the Almighty God at his first respiration, while He was sleeping after the total annihilation of the universe.)

The Ramayana was composed by Sage Valmiki, the Manusmriti by Many, The Mahabharat by Sage Vedvyas. There are mentions of some seers in the Mantras of those Vedas, but they are not the authors of the same. The Vedas comprise the Sanhitas i.e. The Rigved, The Samved, The Yajurved and The Atharv-ved. They are also comprised of the Brahmanas, The Aranyakas and The Upanishads. Even different branches of each one of those four Vedas have their different branches. The Great Sage Vedvyas, the philanthropist of the tune then realized that the people with short  memory and limited knowledge    could not understand the Maxims of the Vedas and their branches. He himself composed several Shakhyaas based upon the Vedas, which are known as the Puranas.

The Mahabharat and The Geeta the being included in The Bhishma-Parvan.

There are Eighteen Puranas in total.

The Last and the latest one being The Shrimadbhagwat. Mahapurush Srimanta Shankardev says,

Vyasa naame bhaila satyavatira santati ;

Dekhilaahaa prakaar bhailaa ati alpamati I

Karila aneka shaakhaa cario Vedara ;

Purana Bharata Shastra nirmilaa bistara II

NB. Satyavati's son Vedavyas could realize that the people of his time 

lacked proper knowledge  to understand the dictum of the Vedas; so he divided the Vedas into several branches, and composed the Eighteen Puranas and The Mahabharat, and many other treatises.

Mr. Sage Innocent looking into its depths says to convince others that the compositions of all these Eighteen Puranas by single Sage wasn't possible at all.

These Puranas had been composed by other ancient scholars of that period. That's how we have to believe that in that period of ancient times took too much time for msky Tha Sanchi Pattas by their own hands of brilliant scholars. For example, we can refer to our related scholars that they are many in numbers, rather we can determine today's scenarios as the BigBRILLIENCE.

The texts of The Brahmanas of Those Vedas are full of the complicated details of Sacrificial Rituals which could not be followed by common people. Hence, some thoughtful saints endeavored to find out ways and means to avert them and put forth some limited and simple processes.

The aim sacrificial offering to God's/Goddesses, as per The Brahmanas, like Indra, Agni, Vayu, Varuna and Prajapati, was to attain heaven for one's own bliss or comfort. Then after.

Mr. Sage Innocent stopped to read ahead.

He got the Clues of Mahapurush Srimanta Shankardev.

Guru Shankardev hated this Sacrificial offerings.

Many a time he publicly describes it in details. Brahmanas are not doing The Best   for Devotion. How a person can sacrifice another Living Being for his Individual   BENEFITS?

How?

Every single soul is prescribed by One God i.e. Vishnu Devata only.
Does He, Vishnu Devata, permits anybody to get him/her
PROFITABLE through taking/offering others ??????????????

This is a BigPIONEERING Thought of Mahapurush Shankardev.

As The Guru of Assamese Souls he taught us This BigBRILLIENCE,
in the later Thirteenth Cencury onwards. He gripped out all themes
of Geeta, BHAGAWAT Puran, Epic Ramayana and Epic👍🐱
Mahabharat. These Two Epics are so Brilliant👍that one must read
First🔑 to get Each and Everything The BEST.

Nothing to Loose Never to Fuse.

What does it mean that's like,

solemnly obliged him to be ours always.

We, also sing in each and every religious commitment as --

He was Genius to us The Value of Equality.

He's Next to The Almighty God Vishnu, Narayana, Parameswar, Paramaatma and The Supreme Soul Divine.

That's how people of Assam regard him always as their Extremely Pronounced GURU SRIMANTA SHANKARDEV.

In those early days there was no letters, no language. No human being at all.

Only a pair of something like to be living existence on the whole surface of mudmixed dirty figures under the open sky. They didn't

know even one another. sometimes together  and sometimes all alone for long periods of time. Mr. Sage Innocent wasn't waiting for his natural call break.

After a short while he continues to study ::

To attain God-realisation a devotee must qualify himself with sterling qualities. The Bhagawat Geeta in its Twelfth Chapter, verset 13 to 20, enumerates thirty-five divine qualities that constitute a true devoted. For a detailed study one may go through the author's commentary on the holygrangha. However a brief statement of those qualities is given below for further reference.

He looks to the sky, it's going to be gloomy in the winters blazings. The nature herself is the biggest  gift to Human Mankind.

The Flute of Lord Krishna is a symbolic asylum towards the Nature. He is only One. In Bible Maryam (Miriam!) asked for faith in Lord and Koran it's Muhammad. So, our Epic Mahabharat, it's Lord Krishna. In Bhagwat Puran it's like :

"Aham Brahma asmi." It means, I am God. You are God. --- The Brahman is the Supreme Reality.

But the people of this world are timid, hesitant to admit the Truth. They dread the Thought of Losing their individuality. And they also dismiss the very idea of a human as God. The God Person believe and behave it in the Darkened Faith in Life.

III GEETA VERSUS BIBLE VERSUS KURAN III

Sebastian had heard of people dying of starvation. It happened in places like India, but here he was confronted with the actual fact. A revulsion of feeling swept over him. This was irrefutable proof that all victims of COVID-19   had told Mr. Sage Innocent was true. In each litter lay a human skeleton, the bones still covered with a thin layer of living flesh and skin. Naked men and women mixed indiscriminately, but their bodies were so wasted that it was almost

impossible to their sex. The pelvic girdles were gaunt basins of bones, elbows and knees great deformed and as it's not too late for explain and expansion. This was famine as he had not believed really could exist, and he had been trying to export money from these helpless people. Mr. Sage Innocent discomproized everyone who was coming across him last ideology. He worried about the next generations.

He thought, my real Self is God. That's the ultimate experiment of Self-realisation. What's called as Anubhava Vyakya i.e. Statement-of-Experience. To him all God-persons not a Quantum Theory of PhysicsPhysics to

expand and explain the behavior of matter with energy at the Sub-atomic level, where objects have both particles and wave-like properties. He comments :

"No-Physics Have Own Decisions To Crown The Nobel." He also quotes that supported by it that ::

"One Chinese Physicist Prof. Pan Jianwal, leading experiments confirming Boh's QM over Einstein skepticism (ERD Paradox) in late 2025 alongside Modern Physics Giant Chen-Ning Yang."

Thus, Science changes and challenges the Crowned Nobel laureates many in the flow.

He can add many good examples to convince.

III LITTLE PEEPS INTO DEPTH OF DIFFERENT DIPS III

In the Old Testament, Moses is said to have fallen into this state of slavery. Walking in Mount Sinai, he encountered a serpent. And trembled at the site of it. Just then he heard a voice, "Hold that serpent." It was said to be the voice of God. Moses hesitated. The voice insisted him to get hold of it. He plunked and held the serpent. Instantly the serpent turned into a staff. And this staff began to work miracles. Moses touched the Rock with his staff and fresh water

gushed forth from it. When the Israelites were fleeing for safety the Red Sea stood in their way. He again used the staff and touched the Red Sea, then its waters parted and dry land appeared in front of them. The Israelites passed into safety.

This is an amazing story of close relationship between God and People. When the feel necessities of God He appears in many Forms.

Buddhism is a Major World Religion and Philosophy, originating in India over 2,500 years ago with Siddhartha Gautam -- The Buddha. It focuses on the importance of Overcoming Sufferings (Dukkha), to achieve Enlightenment (Nirvana), through practices Meditations, Ethics and wisdom of Four Noble Truths along with. Eight Fold Paths. It spread throughout Asia the West by its influences.

There are many such amazing stories in Islamist Religious Revolves around the Prophets. like :: Adam Noah, Abraham, Moses, Jesus and Muhammad; emphasizing themes of Sabr (Patience), Imam (Faith), Islam (Submission), Forgiveness and Reliance etc..

Jainism regards the Soul (Jiva), as Eternal and Inherently Pure with Liberation (Moksha) achieved by shedding Karmic matter through strict Non-violence, Self-control and Detachment

(Aparigraha) emphasizing Intellectual Humility i.e.. Anekantavada !

Sikhism regards Waheguru (One God), Oneness of Humanity, Honest Living and Seva (Selfless Service) and devotion through Meditation. Gurugranth Sahib is their main Scripture.

III SORRY NOT FOR SURE ON HIS BIGGEST PART III

Our life is such a living device that it makes us haunted many a time.
According to Mr. Sage Innocent, if Narada was neither a muni, nor a

MANASKANYAA -- A NeoTHRILLER.

It was last Friday Noon. An important chat was going on in the

Innocent was talking with her from Assam. They both faced an
indefinite situation of their final decision. He asked the publisher to
share her some next senior publishing consultant.

She said,

:: For Sure. My boss is taking his chair just in my table. Wouldn't
you feel good to talk with him now ?

:: Okay. Let him talk.

The Author granted permission. Then after a few seconds another
voice in that end wished him in Gentle man manner. He explained
him about the confused matter.

:: Yes Sir. I can give you suggestion that there is a gap of 25 - 26days only, to hold our WBF 2026. If you send us your last manuscripts off the NeoTHRILLER today itself then only we shall start working on the book; and that will be your 4th Book in this running year.

Timing :: 3:43pm

Mr. Sage Innocent tried twice to reach KSVery There.

But he failed. Perhaps This Sr. Publishing Consultant was busy in that far End at NOIDA - 6.

He picked up his Device Again. Sent her Third Calling.....

This is called Nature. So, each one of us has been Victimized by The BIG SUN.

This Logic Behind Our Human Behavior. Very nice to understand, Quite Difficult to Explain. If someone is Trying in the extreme Corner of the Earth.

Timing :: 4:24pm

Mr. Safe Innocent became tired. He began to think about the New Beginning of This New Nature of DIGITAL MARKETING, STRATEGY,  SPACE RESEARCH AND TECHNOLOGY.....

This is he has Done  always. He thinks

If The Whole World will Sleep together, who will try to find the Perfect  Resolution of This Nature and Individual LIFE.

Timing :: 4:30 pm.

Mr. Sage Innocent began to think more deeply till he gets the better
The Best ways of Things among THOUGHTS.

III NO RECEPTION FOR THOSE WITHOUT CONCEPTIONS III

There was nothing to hear from the far End There in NOIDA - 6

Mr. Sage Innocent decided to hold his program today.

Timing :: 4:36pm // Waiting ⌚ ⌚ for you. Later

Timing :: 4.43pm // It's my prayers 🙏 🙏 time.

Timing :: 4:59pm // Hello Sir. Yes Yes Calling.....

Timing :: 4:59pm // Jut got Office after Break.

Timing :: 5:08pm // Go 🏠 Home Soon.

In between these few minutes in this Evening, Mr. Sage Innocent
Washed His Fresh. Prayed as he does always. Looked back to his
WallClock. Came to his TableWriting. Picked up his Device to ☑
checkout anything new that received 📧.

After a while Neetu, his Daughter-in-Law, came to his TableWriting
; ant Approached,

:: Papa, here's your Tea. There she offered him some Kheer in a hot
🥄 bowl. She doesn't forget doing her regular service to him.

:: Doesn't you give Gogo something from it?

It's his common question 🧐 ? before he takes something as her
service.

:: No. He will have it with us together. Please take you first. Neeti
gone away from him. She took their three cups of tea 🍵🍵🍵 with
some Kheer prepared hot.

Happy Ba, Bandana and she didn't return to Moran along with others. This because of their Helping Hands to their Sister Geetanjali at Bihpuria. She's alone but her two daughters Ms. Mithu and the Little Miss. They both 👯 sisters will get return to own nests soon. None can be detained at home. Perhaps both sisters 👯👮👯 left their Home at Bihpuria.

Marriage is such a Love 😊 and ❤️😊n that each and every one who is NEAREST-&-DEAREST gets together happily. In other festivals they never share their relationships 🤝 so closer, so Closed to one another. It is really good. Humanity in Rushed and Thirst ! This is an outfit for Stronger 🤝👍 Partnerships too !!

He chipped his Tea🍵😞🍵 Hot.

Brought his cup-plate to wash himself in the Kitchen Basin.

He cleans his own🍽️ and 🍵 plates himself.

He thinks, if the Male makes this habit, the ♀Females feel free to serve others at least in her Kitchens. He also remembers Famous Indian Cinema😄🎬Actors Amitabh Bachchan and Dharmendra Singh who washed their own utensils just after their food. Dharmendra Singh died in Mumbai on Nov 24, 2025. He was 89 yrs old.

Our Indian Prime Minister Narendra Modi also comes in the same category. But, the Prime Minister never gets the chance to wash it. There are some helping hands to clean up for him. He is too busy to lost his times Unutilised.

Another Popular Bengali Actor Mrithun Chakravarti did these so-&-so too.

III WASH YOUR HANDS BEFORE AND AFTER YOUR FOODS :: THAT MAKES YOU SAFE AND CLEANS III

Mr. Sage Innocent obsessed not to deny,

Our Indian Ex-President APJ Abdul Kalam, The Missile Man of INDIA. This moniker comes from his work as a Scientist, particularly his role in the development of India's First Indigenous Satellite Launch  Vehicle (SLV) and Missiles like Agni and Prithvi. He passed away from a sudden  cardiac arrest after collapsing during the lecture.

III This Day is also observed as NATIONAL LOVE IS KIND DAY by the Americans ususususususususususususususususususus for the Victims who're abused by their Oppositions. III --

Mr. Sage Innocent keeps his  Diary upto Date. It's his Privileged.

Mr. Sage Innocent says,

"If someone dies for his own, there is no lost; if someone dies for his country, there is big lost of this Nation."

"No soldier is less than a hero of his Nation.".....

Now he sings aloud from his own Texts of AASHIRWAD - A Slide of Neopoetry :

I'm a Strong Soldier !
You can't tomb my body after death
in this dirt dust
You can't throw it into ocean
to repent those in thirst
You can't throw it upto sky war-smoked
You've to keep me alive in your heart !!

This is say here that's like,

The Human Species are chategorized under five distinct heads :--

- a) Mineral Person,
- b) Vegetable Person,
- c) Animal Person,
- d) Human Person ; and

e) God Person

This classification is based mainly on their standard of intellectual imagination and understanding. In single term it's called, "Selfishness" The Mineral Persons are most Self-centered. They're not consciousness of others' existence. As the other species develop, become changed themselves, they drop Selfishness, and they become more refined and more revolved in some ascending upliftment. And culminating themselves in the totally Selfless the God-Person.

Nowadays a large number of such Selfstyle Godmen have been undercharged through out the country. For examples, Gurmeet Ram-Rahim Singh, Asaram Bapu, Sant Rampal, Swami Nithyananda, Shiv Murat Dwivedi, Santosh Madhavan and Narayan Swami are some of these Godman in the hot lists. III ASSAM TEA NOWHERE FRESH AND FREE III

Tea industry in Assam was developed with indigenous discovery in the Mishimi Hills of Upper Assam of Brahmaputra valley by Robert Bruce in 1823 for which Assam become first in India. In 1826 the treaty of Yandabo resulted in the annexation to British Empire and after 1832. And Captain Jenkins decided to take steps to introduce

tea wasteland of this hill area. Meanwhile, Mr. Gordon was sent to China to produce plants, seeds and skilled persons in the manufacture. Tea Industry needs a numerous workers. Though the British Planters tried to appoint maximum number of workers from local people, but no profits.

Most probably, reluctance of local people and shortfall of manpower restricted labour supply in tea plantation by three reasons viz. Civil War (1770 -- 1790), BurmeseMM Invasion (1819 -- 1824) and Epidemic (1833 -- 1854). At the initial stage, garden labourers were helpless, isolated and without unions of their own. They were kept captive within the tea estates by the planters and led to a sun-human life or depicted by Sir Bampfylde Fuller as "Beasts in Manageric." The two treatment GK Gokhle and MM Malaviya in 1916 moved in the Imperial Legislative Council for abolishing the recruitment under contract indenture system.

Tea Industry has its big Background of more casualties from the beginning. Even than, tea industry has contributed substantially to the economy of Assam. About 17 percent of the state workers are engaged in tea industry. Besides many commercial centres like Doomdooma, Tinsukia, Nazira Dergaon, Biswanath Chariali, Dhekisjuli, Tongra, Mariyani, Panitols etc. have come under as tea towns. It is noted that 87% of the cultivation is done in land area measuring less than three acres. According to All Assam Small Tea Growers Association, at present more than 9,00,000 people are involved in the small tea growing business. And, almost 2,50,000 hectares of land is covered for such plantations.

There are three big tea estatet in his locality at Moran viz. khumtai Tea Estate, Shingrijan Tea Estate, Hajua Tea Estate, Dumardulong Tea Estate and Moran Tea Estate etc.

His father-in-law Golapkrishna Gogoi retired as Senior Farmasist of Hajua Tea Estate. In those days he had to role as the Medical Doctor Sahib for long years. Mr. Sage Innocent sings a small piece of his own poetry :

If the little two buds 're not born
There was no-sun to greed by us
If they couldn't have a cup of tea in time
This morning wouldn't have to make any fun. &&

Mr. Sage Innocent is bringing out some important documents from his memory, that's as below :

In the tea gardens, all the members of the community are engaged in various activities. The members of the families, who haven't been able to get chance to earn in their patrons, go outside to work and live. Some likes slavery in other rich families some what at distance relationship with their grandmas, grandpas, great-grest grandparents. It's a scholarship to get such chances in their livelihood.

III LITTLE EARNING DANGEROUS FIGHTING III

In 1991, in undivided Dibrugarh district the male's work participation ration was 46.7%, females 44.6%, adolescents 1.61% and children 6.97% as composed to the state of Assam 32%, 33.4%, 18.56% and 29.34% respectively. This is 100% correct to mention. But what's the use of such bringings, if a dozen of families had been displayed in the extreme corner of the jungle put settled down for their livelihood. Where there is nothing to develop except troubles of another Centimeters' Cleanliness within two months.

What's going on with your friends with only traditional floor of Thik Grasses amidst Influenza Epidemic and COVID 19. Some blood becomes unrecognized by own cousins who work hard in TATA BIRLA STEEL FACTORY, in Jamshedpur. A few big Police Officers from Chhapa district of Saran, Bihar. Where are those great grandma's relationships ?

One Bihar born Assam Cadre IAS Officer, recently posted in Dhemaji checked details of Tea People in Lakhimpur District of Assam. After seventeen month long investigation, made him disappointed. Then he was transferred to Sivsagar district in the records of self choice posting facility. But, there also he couldn't be uplifted. Research invalids !!! After the 1950 Earthquake in Assam someone couldn't avail the mother's residential address in Assam.

The tea labourers in than undivided Dibrugarh district have nothing to win the games. They are living in the circle of "Work hard and drink more" Commodity.

Will they be sent to Human Zoos like in old Europe ???

In 1889, eleven Selk'nam Natives, including an eight year old female child, we're taken from their homeland and sent to Europe to be displayed in Human zoos, Stripped of Energy, they were forced to perform, photographed, measured, and exhibited for public curiosity, treated as spectacted rather than human beings. The journey itself was brutal, and many perished from illness, exhaustion, or malnutrition.

Today, the Selk'nam are extinct people, their language gone, and their culture surviving only in memory. The photographs from those exhibition serve as haunting reminder of displacement, exploitation, and endurance a testament to a people uprooted yet not forgotten.

All devotees of Hinduism trust on  i.e. Aum. This has its Ethical Standpoints in Itself. Each letter of this symbolic represent more and more depictions in depth. Sometimes somewhere more than our individual understanding. Sometimes it's more our believes together.

Mr. Sage Innocent began his own philosophy at this point of reversed understanding. He reads,

"The places where drops of His semem fell

Changing the form of earth turned into gold

The trees and creepers touched by sprinkles
Changing the form of wood turned in golden particles."

--- Shakardev, KIRTAN//582

In the Tenth Kirtan Gurujanaa says,

Hearing Shankar's such words Parvati thrids

Getting up with folded hands

Moving around in reverence

She bowed at Shivas feet

She says, "Thou art, O Lord, Omniscient

Thou hast given me supreme knowledge

Blessed am I as consort of Thine. &&

For examples, Ma'am KAVery, Respected Publisher, Dear Kashish,
Ms. Kashish, Kash KAV, KAVery, MANASKANYAA, There is his

It's only because of her dealing trends with someone in far distance.
Mr. Sage Innocent respects her as his Publisher he likes her for the
dealings, he loves her as she friend unseen.

Mr. Sage Innocent has recognized that some

Little corner is surely been attached with him

He also observes that she has already scored maximum marks his heart.

There he found another message from Tankeswar Lahan also. He is nice of Late Dr. Khargeswar Lahan and his wife  Mrs. Surabhi Lahan, LONDON. Yesterday his brother Denish also talked with him in details. Mr. Sage Innocent returned his Thanksgiving to Teacher Tankeswar Lahan (Gogoi).

After sometimes Ms. Kashish Verma called him on her own place.....

This way Mr. Sage Innocent continues his writings to touch his Milestone Fixed at Page No. 369

His mind thinks the Perfect  

His hands invite the stars more perfectly. That's there because of something more affections towards his lovely Publisher at BRPublisgers, NOIDA. He finds her as the Best Motherly Care Taker

of his Neopoetry - 3 Books, and NeoTHRILLER - 2 Books.. These all books are having some Innovative Charmings in comparison to others. He observes that the numbers of readers, nowadays, have been decreasing gradually only because of electronic contribution towards digitalization.

His Soul orders him to follow his Performance.

His 📖👍👉📖 hands👉👉 bless him to be Performing hi Perfectly.

III ANY AUTHOR GETS THE BLES🙏SING TO WRITE HIM INSIGHTS III

There is nothing to worry about. If Valmiki wasn't blessed by God, how could he account the Epic RAMAYAN before RAM was born in Ayodhya ?

How the big Volumes after the Volumes could be sheltered in the Biggest📖📖📖📖📖📖📖📖📖📖 Shelves in and around the whole world.

III KNOWLEDGE IS CREATIVE ALWAYS ALL AROUND BIG DIVINE III

Me. Sage Innocent reads maximum of the Book📖📖📖 for his procurement of 🙌👉 Fresh Knowledge. He feels,

Life is too short to fulfill the Aquarium as much as it requires to be Had. It's not called incredible journey. Each journey maybe ended somewhere

But journey of life is never ended. No finishing Points ahead. This is eternal. Devotion to God devotion to Eternity. A knowgeable person understand that better. Our Hindu temples are built to satisfy the minds of creativity. If our ancestors wouldn't have founded the Mandirs, Satras and Naamghars in Assam, who could take risks of Hinduism here then ?

Manas National Park is about 180km from Guwahati. In 1973 it came under Project Tigers as it houses the last surviving population of tigers. It was also placed in World Heritage Site in 1985. The rarest species of this Manas Park are hispid harr, pygmy hoga and golden langur. The other National Parks are Dinru-Saikhowa National Park, Nameri National Park, Rajib Gandhi Orang National Park, Dehing Patkai National Park and Raimona National Park. This Raimona National Park is famous for Golden Langur, an endemic species which has been named as the mascot of Bodoland Region. It is about 60km from Kokrajhar. There are more than 7 other sanctuaries in Assam.

Naamghar is the pious socio-religious organization in Assam.

Timing 4:22am

III GREEN🟤GOLD HERITAGE OF ASSAM III

It's a very good moment in this time.

They both took there a holy dip in the River Brahmaputra. It's a very good moment on this time to take bath 🛀🛀 in the early hours ⌚ between 3:30am to 5:30am of each day. These times keep our minds free 🆓 from anxiety, fatigue and all other troubles and tiredness because of 🧠🔌🧠 take rest and sleep in every last night. The 🌸 day begins to do it's all schedule tasks and tastes. The birds like Myna. Sparrow, Owl, Peacock 🦚, Cock, Hen, 🦅 Kite, Parrot 🦜, 🦢 Swan, Kingfisher, Indian Myna, Eagle 🦅, 🕊 Pigeon and 🦆 Ducks begin to sing snd dance 🕺🕺🕺 all together. Air remains cleaned and clear from the dust. The small parties 🌀 of dusts change themselves in a form of Snow White 🧚♀️❄️🧚♀️ chadar over the grass and grains of the Nature 🌿🍃. This is the moments when the GOD-&-GODDESS come together 👫💕 together 👫 to dip their best for the coming next hours. This is the same moments while all flowers 🌸 like 🌹 Rose 🌺 Lotus, Sunflower 🌻 Hibiscus 🌺 Champa, Clitoria, Daisy 🌼 Lily, Dahlia, Poppy, Zinnia, Tulip 🌷 Aster, Pansy, Calendula, Periwinkle, Primrose, Jasmine, Canna 💧🌸 and Water Lily start to welcome 🌅 the morning to be the most Blissful Brilliance for all those People Brilliant👍 with BRIGHTNESS ON THE EARTH.

Mr. Sage Innocent opened his Tea📦Shirt and Pant from his bags 🧳🧳🧳 and KAvery also changed her WetMinimums from her

lovely slim body. They looked each other very closely from their extremely Breathtouch moments of the Midnight's Pretty SURE Pleasures. They didn't look shame to one another.

Assam is a big Flowerbed on Himalayan Laps. Here's the East to look Rising of The Sun 🌻 which is very very Pleasurable scene of the Nature. After breakfast 🍳🍵 they went to the River Sides in Msjuli. --- The Largest River Island 🏝️ in this world. In everything here in this morning Blessed 🙏 them both. KAVery caught him closed as much as possible to her. At this age she is located in Bedroom Hearts and Blooms. Mr. Sage Innocent gripped her to Clothesline Nogaps. Every second is a Himalayan Bless. Each look is another Heaven on this Earth. They're Newly Renovated River Valley in ONENESS in Only ONE.....

In that Glutfiix Early Morning KAVery got her heavenly signals in her comb. She became careful for the next string strong voice of someone inside. Then she heard a littlebit vote, Aumaaaaaaa.

:: O My God 🐱 God.! Somebody calling me Maaaaaaa.. Maybe it's OMaaaaaaa. Or, maybe it's Aumaaaaaaa

She told her each feeling in details to Mr. Sage Innocent. He Emediately gave his ultimate Return to KAVery,

:: It's the First Sound of our original heart.

Aum.....,

This is the Origin of the whole nature And it the BeejmNtrz,...

There in Majuli, they both passed 7 days in total.

There they both had seen the best everything everywhere

There they both shared everything the utmost Pleasing to be Great in Eachone's Heart's The BEST FOR BEGINNING. There they both hoped all Hopefully, what's going on with Two-in-ONE only.

Mr. Sage Innocent suggests :

See, there is One Sun with many planets 🌞🌙

And, there is One Earth, on which I've got this Platform of MANASKANYAA, to Chat, to Charm, to Change, to Charge and Charity.....

You're my Dreamland 🌙 in the form of The Moon, Money and Months. Haven't you notice ever there're we have to Chant-&-Share everything of us in only those 12 months only !

Mr. Sage Innocent looked excited to the far sky beyond her imagination. KAVery never heard such Deep Philosophy from any teacher in her schooling days in Lucknow, UP, India. She had never heard a little bit of such Highbreed Topic of Gradients of Great Philosophers like Ancient Socrates, Plato and Aristotle ; modern philosophers such as Rene Descartes, Immanuel Kant and Freindrich Nietzsche. Or, other influential figures like Confucius, Karl Marx and Simone de Beuiou.

Socrates is known as "Father of Western Philosophy." And, he's consistently ranked among the most influentials like Plato and Aristotle.

Spinoza was regarded as favorite philosopher of Albert Einstein, only because of he had equated God i.e. Infinite Substance with Nature.

In India, we've had the philosophers like Lord Buddha and Adi Shankaracharya, Ramanujan, Kabir, Swami Vivekananda, S Radhakrishnan, Jiddu Krishnamurthi, Mahatma Gandhi and APJ Abdul Kalam etc. etc. .

APJ Abdul Kalam is the Ex-Preident of India. He says, "India has to mount a sharply defined national program on Advance Sensors. If India has to become a major player in its fields there has to be comprehensive national mission implemented in the condortia mode. And, several disciplines have to be integrated into developing a focussed product.' --- INDIA 2020; page - 207//2002

KAVery becomes confused to listen Mr. Sage Innocent. She peeps onto the heavy waves 🌊 of Mighty Brahmaputra River. This is so famous River in which Majuli has been located within the Nature's Care. This is privileged to Assam. A large number of Tourists from

different parts of the the world come here to witness themselves to be here itself.

III ASSAM IS A BIG BANK OF NATIONAL PARKS & WILDLIFE SANCTUARIES III

There are as many as Twenty One National Parks and Wildfire Sanctuaries in Assam. Mr. Sage Innocent and KAVery have visited those Spots of Tourism in NERegion of India. After staying 7days at Majuli River Island they visited

KAZIRANGA NATIONAL PARK Jorhat.

This Park is the Home of the rare One-horned Indian Rhinoceros (Unicorn) //217km from Guwahati and 97km from Jorhat Airport. //Totalsrea - 430sq kms//It's adjacent to Districts Golaghat, Biswanath Sonitput and Nagaoi.

Tea Planter Lord Curzon and Lady Curzon initiated to this park for annihilated animals in this park. There are One-horned rhinos, elephants, Indian bison, swamp deer, sambar hog deer, sloth bear, tiger, leopard, leopard cat, jungle cat, big badger, capped langur, hoolock gibbon, jackal, goose, hornbill, ibis, cormorant, egret, heron, fishing eagle et. . Many migratory birds visit Kaziranga National Park in the Winter Season.

MANAS NATIONAL PARK ::

For both KAVery and Mr. Sage Innocent, the last days of Nov 2025 was not healthy days. They're suffering from Cold-Cough-&-Fever in light touch. It maybe due to climatic change of Winter's Mornings. Maximum people of the country do feel troubled in body. Maybe someone in New Delhi and all surroundings, maybe someone in Jaipur, the capital of Rajasthan, maybe someone in Srinagar, J-&-K, the Heavens on Earth, maybe someone in Kolkata, Madras Chennai, Pune, Mumbai Vishakhapatnam, or, someone in Kolkata, Bhutan, Kathmandu, Dehradun, Kanpur, Bhopal, and maybe someone in Shillong -- Switzerland of the East, also maybe someone in Assam,

Arunachal Pradesh, Nagaland, Manipur, Mizoram, Tripura, Meghalaya &c.&c.....

Cold Comes to Congratulate all Cripes, Corns-&-Crippings. This is Nature 🌿👉. Calling, Crying, Crawling, Climbing, Catching, Clamping, Coughing, Creeping, Crossing and Crowning the CROWN S i.e.'Crowns' is Human Rights. ✅

So, we mustn't feel it bad. But in some way, we have to take care of such problems ourselves.

Yesterday, on Dec 1, 2025 the Sr. Publishing Consultant KAVery didn't feel good.

She couldn't chat and talk in her Mobiles with her Author Mr. Sage Innocent. She felt Feverish after her Lunch 🍲🍰📱. Some important informations also couldn't reach him from There.

No message No WhatsApp.

He became annoyed for delays. He gives value to Time ⌚ and Times ⌚

Timing :: 4.32pm // Evening. of 🌧️☁️Cloudy ☁️ Clouds☁️

Mr. Sage Innocent received some reasoned WhatsApps from KAVery.

He came to his relaxing 🐱moods.

:: O' I see. This is what she means to delays.

He took his tea 🍵 with chips 🍟

The main cause of his worsening his tensions was that today at 12:43pm he was sent some OWESOMES by her Asst. Ms. Diplima Ganguly. She sent her Message to Author Sage Innocent this way ::

🌸 Monday, Dec 1, 2025//Timing :: 12:43pm

??? What's Nonsense on SPAM Ahmedabad.....

RESULTS :: If That Received Is Not Nonsense Than Only He/She
Will Have To Take This Brigade Combat Boots To Marry The Sender.

N.B. Every member of Blue Rose Publishers are issued Wedding 
Card's by the Person Definitely Cracked.

III THIS WAS THE MAIN REASON BEHIND HIS ANNOYANCE YESTERDAY III

Mr. Sage Innocent tried to connect with his Publishing Consultant
who was sitting at NOIDA - 6

But he failed. He tried again. Again he sent Msg to his Lady
Publisher. But he failed. Then he became angry. It's too much.....

No message No response to get something for satisfying himself here
in Assam.

This was 2nd Himalayan Mistakes on that part of his Publishing
Company's SPAMS.

After few hours of big tensions, Mr. Sage Innocent got Messages that she will take care of this blunder Sharings. KAVery felt Feverish This Evening.

At around 8:30pm she sent her WhatsApp to Author Sage Innocent that she arrived home already and now she is ready to sleep after super.

Mr. Sage Innocent read her msg twice. Then he advised her as below :

"GARAM PANI MEIN NSMAK MILAKAR KHANEKE BAAD 2/3/4 TIMES COMSE COM GURGLING KARNA. SUVAHTAK AARAM MIL JAYEGAA. Aur Suno Bhaiyaa Ma'am PUBLISHER, YE H TUMKO KHANEKE 30Minutes KE BAAD AUR SUNESE SE PEHLE KARNAA HOGAA. AUR HAAN, SUTEVAKT JAROOR SOCKS PEHANKARHEE SONAA HAI." -- This way, this Author sends her Important Advices to KAVery.

In returns, KAVery sent him "Thank you Sir." at 8:45pm last evening..

Many many times, they've been sharing such types of WhatsApps important to one another. Sometimes this Author sends his Jokes, sometimes something reality in running 🏃🏻➡️➡️🏃🏻➡️➡️🏃🏻➡️➡️ around and some Latenights Mr. Sage Innocent something Impi Portions from his Texts of the ongoing Books, which he plans to get Published before forthcoming World Books Fair - 2026. That's there in Pragati Maidaan, New Delhi with effect from JanJan 10--18, 2026.

So, he is writing his MANASKANYAA -- A NeoTHRILLER picturing some RECENTS in These Days.

He finds some piece of papers ofhis ol writings.

Now he reads ::

Which gathers record of records

Also the history of historicis

What was that is not

What is that wouldn't be repeated

So, what is that or what's what
Time is only the vision
Time's ignorant enough like a new baby
But wiser like a scholar records
It's of course a phenomenon of time
Because every trick in its own design
Which frequently submits time as the new
Time is nothing but an alarm for vision
At least for its shake own contribution. &&&

The unseen Female Sr. Publishing Consultant of BLUE ROSE PUBLISHERS, NOIDA -- 6 is unknown to Mr. Sage Innocent.

Next day Mr. Sage Innocent got up from his bed at 5:25am ; and carried on his Bedroom Players 🙏🙏🙏🙏🙏 and Yog-&-Pranayam for 20 minutes, as he does it every morning. He knows how and when these are to practice by a person. These 20 minutes exercises make a person perfect 🙏🙏🙏 by keeping health and mind sound for the whole next 24hours. These Yog and Pranayam have been playing a very vital role in Lifestyle of the Indian People since the time immemorial. The Ancient Sages, Rishishs and other Devotees have been practising their best through their life in different Aashrams, Shrines and in some distant places mainly in the Himalayan Caves.

III A SAGE DECIDES HIS OWN BED OF PRAYERS, BUT A MUNI DOESN'T III

🌸 Tuesday, Dec 2, 2025

Timining :: 6:18am

:: Kashish. Follow the same habits of using SaltyHot water gurgling till you become Okay. X days.....

This message was sent from his bed after his exercises. He was worried for her illness. Then after he washed his   Mouth and Facefreshed. He cleaned his bed property for keeping ready till his early arrival on bed. This is good habits for his own. Poly and Neetu also left their beds. Cleaned the rooms. Took baths in the attached bathroom. Poly entered into the Prayerroom. Neetu got prepared morning tea for all. Gogo wasn't getting up from his Pillow touched position. Neetu always supports him protected from fallen down from her bed. Ryan was in deep sleep by this time.

After this, he sat on his Bedside Chair to ready for writing and taking morning tea.

Timing :: 7:52am

There he always plays some important Bhakti YouTube's Programs at this time in the early mornings. Today he chooses

MEDITATION   Flue

Flow with Flue Music

In its high volume he heard that tune for his own Devotional Perceives. In this time, he hopes all other members of the family must get into touched by prayers and practices together.

:: Wouldn't you low it's volume for few minutes now ? I'm praying  now. He lowered the volume of Somewhat minimum.

Poly returned to her own place for praying.

:: Papa, here's your Tea. Neetu kept a cup  of tea with a plate of little snakes on his table.

After sometimes, Poly returned from her prayer room inside. They went to the maii bedroom with tea       with snakeplates. It's their family's routine of maximum days. After 5/6 minutes Gogo starty crying for his mother Neetu. She hurriedly come across the drawing room soon. She picked up him on her laps and follow the way to the rear door background. He came down from his

mother's laps and freed for urinal. It's his children's habits to repeat the same thing sameways.

III LOGIC BEHIND HOW THE GOD IS NOT ONE III

Mr. Sage Innocent was thinking only about One God on all over the would. Lord Vishnu Devata in Satya Yuga, Lord Rama in Treta Yuga, Lord Krishna in Dwapar Yuga and Kali Yuga prevails the chance of being One God in different points of view. But, those Four Gods have been rooted from ONE REASON DEFINITE than don't they have any Mother 🤔👤🤔 on this Earth ?

Ans. = Definitely NOT ❌ .

Q. 1. If there's No-Mother who took Them CARE OF LOOKING AFTER in Their Early Days ??

Q. 2. If The Supreme God is That Father how did he product Milk in His chest and wherefrom He had given birth of those large Numbers of Thirty Three Crore DEVA-DEVIS ???

Q. 3. As per Hindu Philosophy, if Vedas describe all things CORRECT ✅ , then where are those nowadays in the Same Container NOT TO INCREASE THEIR FIXED OWN POPULATION, so, How the Human Population has become a Dangerous 🌀 TARGET OF SELF DESTRUCTION ????

Therefore, this LOGIC BEHIND HOW THE GOD IS NOT ONLY "ONE" IS A BIG BLUNDER.

Secondly, All Christians wisely follow TRINITY, which consists Three Main Superiors, namely

(a) The Supreme Soul i.e. PARAMPITA PARAMESWAR ;

(b) The Father ; and,

(c) The Son

Here, again we have to follow the Deconstructive Formula to prove this big Theme of Understanding by Human, the Most Intelligent Living  Power.

Step 1. The SUPREME is only the extreme source, wherefrom HE WAS BORN ?

Step 2. The FATHER is next to God i.e. Lord, how He was FORMED WITHOUT ELEMENTS ??

Step 3. The SON is next to The Father, this is the Same Logic as it follows His Father as

above. Our Decomposition Formula finds here again, that if His Father wasn't born out of anything like motherly powerful, then, HE WAS ALSO NOT BORN OUT OF HIS FATHER ; so, wherefrom He has come to this Earth ???

Remember, Christianity doesn't survive without The Father in The Church. Similarly, Hinduism doesn't survive without Vedas.

Therefore,

We must come to the Big CONCLUSION That our relationship is all brotherly. Because of that we both have been suffering from Uncomfortable Theory Almost Similar to one another.

Even then we believe that there is ONENESS which makes us unknown psychological behavior. This is what we call, Faith on God or Goddess. That's to say that This is Veda, which has been treated as the Unbroken Stone ; and, maxim of Trinity which is next to Hinduism around the world. And, beyond to those Two Religions, no Region has become success in this world. There is One God in Many Forms. That's how,

None can deny God and Goddess have been rooted from ONENESS which we call it short as GOD.

Which means as below ::

G = Generation ;

O = Operator ; and,

D = Destroyer.

So,

Whenever you go aboard and meet some Foreign Delegates, please tell them AASHIRWAD Exilerates Than Trinity Subscribers,

Criticism is not an Evilgame to us directly or indirectly by someone, sometimes, somewhere and Someways of understanding by human nature.

SUMMARY :::

[[A]] ONE PRELUDES TO ONENESS WHICH ENSHRINED THE IDEA OF GLOBAL SOCIETY AND ONE NATION ONE LANGUAGE etc. etc. etc. .

[[B]] Theory of DeCONSTRUCTION ALWAYS ILLUMINATES THE MAXIMS OF TOTAL DEVELOPMENT. THIS IS NOT TO DISREGARD THAT HUMAN NATURE IS AN UNDERFLOW OF GRADUATION etc. etc. etc. .

 **Tuesday, Nov 2, 2025**

Timing :: 8:34am

When Mr. Sage Innocent was busy on his Breakfast Table, there he heard little of calling on his Mobile Phone, which was walled for   charging for the day. He raised from his table to receive the Call. Gogo also stood with him together in the same way. He asked his grandson, "Hey, don't come with me. I'm coming back to my breakfast. You also haven't finished it. I'm coming." Gogo didn't wait. He accompanied his Kaka, looked up the Mobile phone as he disconnected it from the Wall Suitsboard. This was a Call from New Delhi. His Brother-in-Law J Hazarika was on the line on that end. He and Gogo returned to their chairs. Half of their Plates were waiting for them.

This is Gogo, his Nati. He nicknames him Mr. Fevicol. Dr. Junior, Vyasta Boy and many others. Where is his Kaka he is there. When his Kaka speaks with someone, there he speaks something louder than Kaka's. When Kaka writes on his table, Gogo feels his laps the Best to sit for him. So, he calls him Gogo i.e. Gopal Govinda which stands for Lord Krishna.

After breakfast 🐼 🐼 🐼, Mr. Sage Innocent called 🐼 back to New Delhi.

"Hello Bhindeo, how do you do now? What's going on now with Mary Ba there right now ??"

"We're going all as it is. You're the Best for sharing me your that MEDITATION FLUE. I'm in Prayer's Room now. I've doing Yog and Pranayam. Thanks a lot for you. This is AASHIRWAD." Mr. J Hazarika delinked his call. He is 86 now. Mary Ba's Biggest Lifepartner. They've been there in New Delhi from the beginning of their services in ASSAM HOUSE. After retirement from services, they settled there in DWARKA, New Delhi. They're having 2 children. Moon and Denish. Moon was married to Capt. Anil, retired as Lt. Col. Artillery of Indian Army. He got transferred to Flying ✈ Troops later. Now settlement in Hyderabad, Telangana. They've also Two 🐼 children. One girl and one boy. The girl is serving in Australia ; and the son is on Flight Training ✈ in South Africa.

MaryBa is the ealdest sister of his wife Poly. They both Mr.. J Hazarika and Mrs. Mary Gogoi Hazarika live in New Delhi nowadays. They are happy.

Timing :: 11:37am

He receives message from KAVery// Good Morning Sir.

She always addresses him Sage Sir. So, he loves her as his someone closed There.

A girl unknown there maybe closed enough, but someothers maybe Headaches and Nonsense always. Mainly, the Puzzle 🧩 makers.

Someone maybe inhabitant to his own State of Assam or, it's Borderlands' Bright with Beautiful Glances.

Mr. Sage Innocent doesn't care for them who tries to SUPERSEDE HIS Sr. Publishing Consultant, Ms. There. He asked her to push that Bengalbeauty in the Bay of Bengal immediately. This was only because of her wrong way of appealing to get him entry in the Forthcoming World Books Fair 2026. He found that Fishery Shrimp, who ignored to Recognize his own Publishing Consultant, whereas she's affording her Best to Publish his Three BOOKS for WBF - 2026, on behalf of BLUE ROSE PUBLISHERS. That's her Himalayan Foolishness.

Timing :: 11:39am

Sometimes rest someways busy helping hands passed the day to get benefitted.

She understands his language patterns in peculiar descriptions

Just she said

:: Exactly Sir. For Sure

It was her response to his advice piece

Timing :: 11.40am

He got back to his texts again. Gogo came nearer to him

:: Kaka, Kaka. Those are the monkeys  looking us ugly. Give me this stick to kill them. I will them all one by one.

He indicated hit Kaka, whom he prefers always in his good mood. Perhaps, it's he only the best friend who can do all difficult tasks very swiftly. Kaka that means the grand father is always the first and closest friend to each young child in the whole world. So, he created him troubles many times on his table. Many more times he keeps himself the closest even in bathroom, even in rest times. There is only one reason behind that Kama knows well how to treat his grandson how to make him grownup.

Timing :: 1:09pm

Here's his an important call to SBI Asst. Manager Mrs. Deepsikha Sonowal, daughter of Mr. Adyanath Sonowal, retired as a Deputy Manager of SBI Moran. They almost every day go together from Naharkatia Bus Stand to Kachalupathar, Tingkhong. There he was serving as a Field Officer in the Bank. Mr. Sage Innocent worked there in Tingkhong College since Oct 1994.

:: Am I talking with Mrs. Deepsikha ? He put a question for confirmation of the person whom he tried to speak with.

:: Yes. Of course you're right. A lady replied from the another end.

:: Hi Deepsikha, I'm Prof. your father knows me,

:: O Siir, what's the good news for me ?

:: Firstly, please tell me how do you do ?

:: I'm fine Sir. Now please tell my business, Sir ?

Mrs. Deepsikha listened him carefully and assured him to be sure from her Branch. He read his Bank A/C No. and SPARH No. to keep noted by her. There, he hasn't been regularized his Pension for the Month of Nov 2025. Just in the last week, he had submitted the Life Certificate's documents through

Mrs. Deepsikha Sonowal for the year 2026 onwards. Even then he finds that he hasn't been credited till this date.

She had DONE it clear and after few minutes, the Pension Amount was credited as well as it's to be.

That afternoon, Mr. Sage Innocent got a news from his wife that there is a public meeting at Siukapha Tiniali, Batamara, Moran. This is Historic Day for this Tiniali. Because, till this day it's called as Thomson Tiniali, a distance from Moran Police Point nearly 3km. towards North. From this Siukapha Tiniali the road goes to Shingarijan, Rangali Reserve, Mahmora and Sonari. Towards Rightway it goes to OIL Moran Field, Khatkhathi. On 1.5km distance there is the subway which goes to Kachumari, Lukhurakhan, Jajali Panchali, Maniki, Sonari and others.

Mr. PoLDHEGE ASSAM lives at a distance of 0.125km from this Siukapha Tiniali. On this historic day, Chaolung Siukapha's Statue was located all and around with Tai-Ahom Prays-&-Prayers in presence of a large number of people.

Mr. Sage Innocent says, "This becomes very nice to renamed as Siukapha Tiniali, Batamara. Prior to it, some people called it Batamara Tiniali, someothers called it Thomson Tiniali, somepeople called it Alimura and someothers called it Shingarijan Tiniali &c." Now he is happy.

This initiative is good enough !

Timing :: 4.27am

Mr. Sage Innocent got up from Bed. He prayed, he did practice of all Yogs-cum-Pranayams on his Bed. Before these exercises he never forgets to keep opening his wings of the 🦋🦋 window. He knows that during Exercises of Yogs and Pranayams one must have his/her OpenAir 🦋 first. No Closedroom is  from Diseases.

So, our good health and good minds need cleanliness before practising any Exercise. It's most essential for Yogs-cum-Pranayams certainly.

There are many forms of Yogs-cum-Pranayams; such as, --

- (a) Hasta Mudra - useful for calming the mind, reducing anxiety and stress, and promoting mental clarity ;
- (b) Gyaan Mudra - to calm one's mind, improve concentration and memories ; and foster inner peace ;
- (c) Vayu Mudra - to reduce the excess air elements, like Vaat Dosh in our body ;
- (d) Praana Mudra - time energise the body and the mind ;

(e) Apaana Mudra - to aid in detoxification and release of negative emotions and mental clutter

(f) Surya Mudra - to relieve feelings heaviness in the mind ;

(g) Kaleswra Mudra - to dedicate to the God of times ;

(h) Uttarabuddhi Mudra - to improve concentration and mental clarity, stress and anxiety reduction and enhanced Spiritual Awareness etc. etc. .

NB. PRAANA Mudra is the Best Mudra for Human Body. Because it boosts energy, strengthens Immune System and enhances Vitality.

So, Mr. Sage Innocent is always attentive for his Regularity. He thinks his Best always.

He begins his every day for the best almost.

He writes His Newest too

III IF NOT NOW NEXT DAY NEVER RECALLS III

Mr. Sage Innocent tries his best times to compromise with his books. Those books 📚📖📗 haven't been have there on his bigtable and in the largest shelves only. There are more than Five Thousand Books📚 Library He calls it BETTER DIVINER. A Unique* Name of a personal library.. There are 📁Sections of the books different in category wise. The names of the sections are called

(1) RAINBOW

(2) DIVINELY

(3) CLIMATE

(4) KAZIRANGA

(5) PSYCHOLOGY

(6) ISSRO

(7) ROMANCE

Each section represents the own identify to recognize their nature. For example,

(1) RAINBOW preserves the Classical music and Songs etc.

- (2) DIVINELY preserves his interested books on Religions
- (3) CLIMATE preserves his books of Science and Research
- (4) KAZIRANGA preserves those books on local Flora and Fauna
- (5) PSYCHOLOGY represents the books of human interest
- (6) ISSRO represents the category of Space Technology and Achievements ; and.
- (7) ROMANCE stands for different language Coverage of any interesting books.

On the very next day, of this year Durga Puja Festival falls between Saturday, September 27 to Thursday, October 2, 2025. Mr. Sage Innocent picked up one of his books  namely SWARNA TIRTHA -- Souvenir, 2001 ; Published by SSS Adhiveshan, Dhemaji.

The Upanishads teachings are presented like Naaciketaa, Gaargi, Maitreyee, Janaka, Satyakaamajaabaaal, Naarada, Uddaalaka, Baalaaki, Aaruni, Indra, Virucana, Bhriгу and others, who were wandering in pursuit of learning master for initiation of higher knowledge and possessed them. There're a host of such philosophic seekers who have been receiving due respects in India even today. It's said that Janaka, the king of Mithila, patronised many such learned seers at his court. They were all seekers of the truth of  Dharma which is associated with social conduct or, human attitudes, religious practice, law and morality. This is why Hinduism assimilates diverse quality, ability, approach and purposes. That's why Hindu-Dharma paved the ways or paths of different yogas, like,

- a) Karma-Yoga :: The Path of Selfless action and service, focusing on fulfilling one's habits without attachment to the results.
- b) Bhakti Yoga :: The Path of Devotion, emotion, and love, often expressed through worship, prayer and service to God and others.
- c) Raja Yoga :: The Royal Path, which emphasizes meditation for mental discipline to achieve mastery over the thoughts.

d) Jnana Yoga :: The path of wisdom, knowledge, intellectual inquiry to understand the nature of reality.

He also reads more about the Immortality of Soul. With giving proper evidence of Geeta, The Upanishad says that The Soul is not cut by any weapon, not burnt by fire, nor polluted, not dried. It is ever lasting pervasive static, immovable, ever existing, unending, invisible Unperceptable and Undestroyable.

-- Geeta, 2/24 - 25

He was thinking about the maxims against Karmakasnda. And again he began to go afar in this texts that's like,

The Geeta has passed several maxims against Karmakasnda, which is prescribed by the Brahmanas and the Samhitaas of the Vedas for adoration of many deities like Shivs, Durga, Vishnu, Kali, Ganesh and many others in pursuit

of celestial bliss. (Slokas 42 - 45//Second Canto, Geeta).

Mr. Sage Innocent displeased with Karmaksandies of Assam. They seem to be the WormSTONEDS for their peculiar techniques of earnings. Why ? Don't they know about the results of cheating others especially in their days of scarcity, after the death of their closed one, enen after long treatment in far Medical Centres.

In fact none invites the deities of ugliness

None deserves the illness which comes to harrass much.

No one likes to confirm the Bank Balance in their Records of Three Digits. None. Never.....

They are allured by the harmonious literature of the Brahmanas and slangcitedSsmhitad to practise various rituals in the name of religion.

Whereas our Hinduism is totally relayed within the MasterMind of God; and, that's because of Vishnu Devata, --- The Almighty.

All other Devi--Devatas are well associated with The Supreme Soul. If The Supreme Father never try to harm anyone of His Divine

creatures, how these Priests take Extreme Actions to perform those INNOCENCE IN THE NAME OF SECREFICIAL OFFERINGS ?

Q. 1.) If there is The God or Goddess seating aside by these Priests, if he or, she recognizes the Deity CONFIRMED, there in Body, why not the Priest asks his followers to believe him as to be The Best Devotee(s) who is working his best 👍, and cutting the heads of Animals on behalf of them.

[[[NB. If the Priest does so, then My Divinely AASHIRWAD will begin to shower upon them for their betterment Always.]]]

In Assam, some critical Priests are still exercising Such Severe Offences year after years. Decades after Centuries. Some learned persons and VVIPs also have been encouraging such The Biggest Guilties. Sometimes in Durgaashtmi Pujans and Sometimes at their own boundaries.

Q. 2) If The Wisdom demands such type of Cecreficial Offerings, as and when the Deities feel needs, can anyone of Wisests create to surprise by others, even a Single Hair of own Head??

Could the Greatest Scientists, Technologists, SpaceBIGS, Scholars, CEO's - who's may it be There

OR/AND any person of The Highest Ranks of My World, Now and Ever,

Would you like to share your Finger-FINALIST that you can, really, you could be, or would be able to get your Little Finger to run along with favorite song and Colors without having seen any Blood💧Single drop on the ground.?

Mr. Sage Innocent comes to it's conclusion ,

That's like a compulsion in the Final Exams of any Degree Pertaining.....

Remember, you will never be supplied by any knife Or sharp device.

None of you can do it. ----- Never. I'm sure you'll nothing to accept, nothing to results. Welcome, some one may received your peculiar attainments in this practice today.....

None of us can do it again to convince your dignity. So, what's going on with those blind Priests, that, The Deity, as it's in the same Dilemma of Ignorance, would like to take Lives of Multiple Numbers of Domestic Birds and Animals???

This is all Nonsense. We all are ignoring our relationships with one another. We have been running in our lives only to follow as it is here and there, today and tomorrow, in each moment we are running around and about to get nothing executed by.....

These acts aren't beneficials. None can sacrifice himself or, herself for the Deity BLIND.

Mr. Sage Innocent doctrines his big Prescriptions in his Own Heart. Each inch of the single Picture  describes Humanity. Not The Family FoolishNESS. There's a great mistake of Today's wiser WORLD !!!

Suggestion :: No God Dezires Own BloodDROPS. No criminal is so blind to recognize the Judge who fails to sign his own assignments.

Judge judges judgements to be gudged by some more innocent judges. This is very practical.

III THE POORS HAVE NO-DOCTORS III

Similarly, the big surgeon also becomes blind many a time. Maximum Medicines have been used for experimental purposes.

How ?

This is very easy to understand by every person. Don't you know that a large number of Doctors have at least two Chambers. The first  one is at his Hospital Indoor. Another one is in the market. People find them there more perfect rather than they're found him in Government Hospital.

:: You've to visit me at my Srinagar Chamber at 5.30 pm. Your patient is serious. I've to check and and treat him there from.

:: Sir, it's too far from TilakNagar interior. Please care for him from the government's part?

:: Don't try me to advice. You must come there by this evening.

:: we are poor, Sir. Hands to mouth. True Sir....

Dr. RK Ahuja Benugopal didn't hear any humble voice. After attending the next female patient, he advised her likewise :

:: Hey Lady. You are carrying Twins👯 together. You've to go sigerian shortly. Where's your husband? Call him inside.

She went out of the door🚪 and after a while an old man came together👯 with the Lady patient.

She's your wife? Haven't you seen her skeleton figure? For 🌀 sure, I know if you use her this naked body five to six times in a night, when's she would be readying to go for ever. Avoid this habits with a weak Lady.

He wrote📝 her prescription. He had given her three 📦 bottles of drugs, three files of Capsules and asked her to go to the nurses for injections sd he did prepared.

Dr. Rk Ahuja Benugopal looked to the door. There wasns teenage girl seeing him fearfully. He stood up angrily.

:: O You. You naughty girl? Didn't I restricted you

to degrade my honesty ? Why do you coming to me daily? Getting touched and be pushed by a dozen of donkeys🐴, don't you know what's going to happen..... you go home to your parents. I'll not look after you here now onwards. Take your dues of this Rs. 250/- and get out from my Quarter. Hurry,

:: Dr. Sir, it's your part only..... . Please don't refuse, Sir. Please my mother is on her last bed. She is too I'll. Father has no earnings.....

The poor git begins weeping.

After few minutes of standing herself on the main door of
DOCTORS 🤖 \$ APPOINTMENT CELL

the poor thin figure started going away crossing the runway of the
Hospital.

Nobody was there to ask her why.

Nobody was there to call her back.

And, nobody was there for asking her reasons behind.....

:: It's my Tea Time. You remains have to wait for Half-an-hour.

The unexamined patients wait for his return.

The patients those who heard him talking with the girl they
understood his NATURE.

III THE SHINE DEMISED WITHIN PATRIOTISM III

Dr, Khageswar Lahan born in a rural village called Takouwani Gaon, Lengeri, Dibrugarh, Assam. On Tuesday, Sep 23, 2025 he died in London, UK..

This sad news begged crying them all.

His death and earthly departure turned down the minds and memories of all people of Greater Lengeri. Not only Takouwani, also the surrounding villages of Borpathar, Nahula, Bamunpukhuri and other adjacent villages became Mouthmourn on his death. He was a big Brilliant of this locality. A renowned personality to respect and regard in early hours of the daylights ☀

His Bhatija Tankeswar Lahan (Gogoi) came to know the knock of his DeathDefinite nearly fifteen days. He received the message through his brother Denish Lahan that his Aunt Mrs. Surabhi Lahan i.e.. wife  of Dr. Khageswar Lahon has informed that after the death of her husband she will bring the corpse to birth place at Takouwani. Thou it takes fifteen days to reach Assam. She has to do there a lot of correspondence after his death sure. Nowadays, Denish lives in Petua Dullong, Ushapur, Moran.

Mr. Sage Innocent had a look on the Book Shelves of his niece Denish Lahan, at his residents. On this very day, Mrs. Surabhi Lahan was also present there on her Returns to London. She did her best. People praised her all religious conducts.

She is Brave.

She is Religious.

She's Patriotic also. In his own birthplacay Takouwani Village, Dr. Khageswar Lahan's all and everything Remains of Corpses got the last position as it's to be all Hindus.

Mr. Sage Innocent described hers best👍🏆🕊️ performance within decent bavery in hers. He thinks

One can die abroad with own dignity

One can write all golden glory

One can flavor the best of humanity

But, how's life where to die to lay

How many people are there's to pray

There is One God only

Poetry/// One Poem perpage perfectly. /////

Rise, rise up soon to pray early this morning
Those cocks started crowning so loud
These surroundings have been wearing makeup
Whistle rings the workers in the garden
Tea has never compromised
This hardtask glamorous in minutes so dancing
The hens never played with those cocktails
If not really rising the Sun
How could you be exercised
Your mom is a great time to recall the River
Thanks to God for my accounts signing
Life is happy if body is healthy
If your breath counted so far
Away me not to regret without Yoga and Pranayam
There's my poverty caused caring some escape
Neglect neither gods nor neighborhood
Thus the Fieldcraft enter into the winter windows
Calm calls me to begin the brightness
Again, again and all again
If the unrest Sun comes to get up why we don't?&&

III PENDING OF PDFS PROBABLY DON'T DESERVE III

Next morning he went to meet his PDFwala Chandra Handique at Petuwa Dullang, Ushapur. It's nearly at a distance of 2km from Moran Town. Previousl this Petuwa Dullang was wooden and badly broken till last week of October, 2025. The people, who cross over this wooden bridge, along with their youngers, the great fearful tensions had been accomodated in their minds and souls automatically. None could expect the safe returns in the evenings from Dibrugarh, Tinsukiya, Lakhimapur, Tejpur, Sivsagar, Jorhat, Nagaon and Guwahati etc. via this Dangerous Dullang.

Mr. Chandra Handique has newly shifted to this Rental Room just 3 days before. Another important thing is that it's also a walking distance from his Press. He belongs to Nitaipukhuri. However, this PDFwala is upto date person of Latest Knowledge in different corners of the world. He likes the authors those who come to him for different Press Loads.

Mr. Sage Innocent knows him well.

So, he says, "It was better to become a college lecturer ; because knowledge is very perfect and whenever you discuss about some important political issues around the world Expertized, then I usually feel that I've been chatting with someone senior professor or some first grade philosopher in Desk. Exactly what you think about it this and that 🐸🐸🐸🐸🐸🐸🐸. They are ancient species.

Of course. They are some original ancient Species too. Don't you've to talk more singing and dancing with those Heartthrobs Billiant Ideas??

Mr. Chandra Handique put him these types of questions favorite.

Mr. Sage Innocent keeps mum few minutes.

Then he looks like an Interesting Volcano 🌋🌋🌋 on the Top Coverage Mountains of Alzaria. Chandra Handique was busy with his cooking 🍲👤 now.

In the next moment he strongly raised his Answer-bourne- Question to him ::

Why don't you become a College Professor to get the Correct Answers??

:: Nice. I've got you. You perhaps no that Maharshi Valmiki wasn't asked by any sage to his Epic Ramayana before Lord Ram comes to This EARTH.

If all could coupled to become College Professor or Philosopher, what has been left here within Emergency Table in the Maternity Ward.

What ?????

These types of Sacred Sharpness sprayed minute after minutes, and days after nights and weeks and weeks after months

Mr. Chandra Handique responded him in his own style. An amazing answer of thoughts provoking.

Wouldn't you mean to say that every book comes into its Maternity Wardlike Some Press Compounds ?

Yeeessssss.

You're sacred enough to get the reality of a book's birthday. You have been so. That's how my profession is better than your Educational Ups-&- Downs. There maybe some tragedy also. What can't be shared to other relevance.Let's move to our own business.

Let's go to the main texts.

This afternoon, at around 2:35pm all members of his family went to attend a Marriage Ceremony of Shakshi Saikia at Sukan Pukhuri, Moran. Shakshi is a Village Younger to Neetu. III RISK RISES ABOUT NOW ON NATIONALITY III

Mr. Sage Innocent rises his national security and ownership. He has had some special reasons to live with a good timing of total development. Many persons feel bad to bear their running abounds. But he is not what do they haven't. There's that bad news in the 1st page of this English Daily that the lady is going to give birth her 5th child on Indian land after she came as married to some Indian citizen. She is a Pakistani. That describes that love has no boundaries. This he regarded first ; but making her child birth is a big news has been penetrated his nationalism in depth. To him giving birth more than two children was already treated as an official offense by our Indian Government. But,

But why do these news makers not giving serious interest on her health and something dangerous identification of anti-national Crazy Crab Civilizations. Are those newspapers giving interest in some doubts ? Is there anything music like conspiracy behind their Theory ?? So, he writes ::

How many Seema Haidars get pregnancy
Into the frame of Bhiggeee Bhiggeee
If the same time feels abundance

They are not crash crawling
But, if we all Indians
Change to challenge
On all Rhythmic Patterns. &&.

It is such a stupidity of bigboss inhabitants that eat something own business something others. Irrespective to all politicians' nationality, he declares :

He is impressive in choosing the negative dilemma of Jesus's Mother.
It's bad. Because, we still have to understand that Mary was a virgin
who conceived Jesus through the Holy Spirit as told in the New
Testament of the Bible. And, she's a Central Figure in Christianity.
Mary was betrothed to Joseph. Here's a big saying about him :

"Behold, I'm the handmaid of the Lord. Let it done unto Me
according to your word." [Luke 1:34 -- 38]

Now, Mr. Sage Innocent writes,
Years have gone with Maryom to see her Son
Thus there we've had ONE good Babylon
No objection no affirmation
Today dreams something about its Drew's creek
That's to thank the humble Estuary
The stream brings the hopes to all those farmers

Mr. Sage Innocent had a pause to write some more poems in this chapter. But he's no idea what he exactly start to write on what. In this morning what he has written all are true to certify him intelligent.

There's a sad news about death of Zubeen Garg's death abroad in Singapore. He had an International Music Program to sing as one the famous popular singers to sing there but he failed. He left this land:

On Friday, Sep 19, 2025, he wrote 🖋️

only three lines to reach the hearts of all people very compassionately. And now he recites his lines as here under,

III TO PRAY HIM :TO PRAISE HIM KEEP BODY SMART III

Mr. Sage Innocent knows maximum number of early exercises. As he becomes order than before. But it's his mind power that has given him much innate energy to procure some what more healthier than before. Some people generally ask him that how do you maintain your body so young. Where as you're very few limited that time can't border your scanned in the medical hospitals. How?

He commonly used to reply such questions that why you people didn't join the Indian Army? Didn't you try in Indian Airforce also ??

Don't you know that how the Indian Navy teach the soldiers to remain hungry for 7days, 8days or say sometimes upto 10 days too ???

He says Defense is a Wise Reservoir of Human Healthcare.. Every day the defense personal have to do regular exercises in the early morning. After Bedtea, at around 4.00am they have their Bedtea. They clean their beds and the room insides. Then they take bath. After that each jawan becomes ready for exercises. There they use it for their own body and minds.

A sound body is sound mind. These habits make a person healthy and wise. To keep your body fit you can continue this types of regular exercises. There's no reason of you've been in defense or not. You're in Armed Forces or not. If you don't exercise in the early morning, and sleep too late, don't dt help your parents or any member of your family than you're supposed to be the next patient in your family. If you don't extend your hands to others in the own family, how can you dare to serve the nation in aspiring total development as prescribed and inspired by our Government of India ! From the very early periods of human civilization, our profound Rishish, Saints and Sages taught their disciples to follow regular exercises in the very specific way, e. g. Yog and Pranayam. These are very sincerely hopes to keep the body fit, All Family Rich, the Nation Developed, Digitalized and "Make in India"

Very very very Patriotic and Ambitious to reach VISION INDIA @ 2047. Our Prime Minister Narendra Modi mayn't be remained alive by that time but his Prime Ministerly Initiations will keep him ☀ Bright. He is ever competent. As per NITI Ayog. On this suspicious 100th years of India's Independence Day, MyGov App Will keep closely attached with all Aquarius Pertainings to move forward alongside the Empowerment of YWPF i.e. Youths, Women, Poor and Farmers 🧐 🌑 in Greenhouse🏠 contexts. All citizens will avail their glamorous in maximum scales. Now India is going ahead and running 🏃🏻💨 fast.

Whenever he gets chance to comment on Physical Therapy, as a naturalist he discusses on the four Yogic Paths. These are :

- (a) Bhakti Yoga - Path of Devotion
- (b) Gyan Yoga - Path of Knowledge
- (c) Karma Yoga - Path of Action ; and,.
- (d) Hatha Yoga - Path of Compulsion

These four spiritual discipline have been designed to suit all categories of people not only in India, but through out the world. These were the early texts of human civilisation.

All the God-Persons are not selfless. But they work hard, pray hard and to get themselves praised by other people their Horsesticks all innately try to convince the mares whoever come to contact them to solve own physically challenged problems, maybe unmatched couple problem or problems of family quarters Non-adustments etc etc. .

III AGONY PREVAILS NO-CHANCES IN BUSINESS III

In such situations maximum God-Persons, firstly treat them all alrights. Lekin, like Asaram Bapu, Ram Rahim and the other horses, use their practical principles of love for love; love in their beds. Those beds become the Main Shrine Auditorium in closed doors meant for heaven. And, then they victimize their own disciples. Mainly those mares, who's ready for some reason of Bedinsides. But, how long ? As much as their Bhigggeee Bhigggeee Runways habitat going faster run 🐎💰 on Bedsides, they failed in Outsiders' Drishti Bihars.

They got attached more to their utmost happiness, they got treatments with Big Sticks Dhulaai Pitaayee. Many times they return their Tripty-Triumphs in Jail, Judge and Judgements.

Mr. Sage Innocent trust not them. He trust not those hateful nights. He says,

Those days of happiness in divine premises

Those days, those thoughts of secret confidence

Loss loves, loss Bags and baggage to claim the chances.

O my nature wouldn't you like to surrender

Zelenskyy kills his kith-and-kins all blind

Kim Jong Ung cracks his own crooked

O my Bignature !

Let them cry for missing their Headheads behind. &&

Mr. Sage Innocent claims the dignity of human nature in such a way.
He blames the crucially calling crashes 🚗💥 into the Democrats. He
writes,

Like Flamingos, he feels that some birds are also associated with good or bad luck and beliefs. For example, if a crow sits on the roof of your home and it claws, then it is supposed to indicate the arrival of a guest. But if many crows doing to same then it doesn't bode well.

The people also believe that if an owl hooting in the dead of the night that signifies either another dead in the family or some bad times of the year arriving sometime.

On the opposite end a peacock is reserved as good fortune for it is the ornament of Lord Krishna, it's the vehicle of Lord Kartikeya, the son of Lord Shiva i.e. Mahadev.

The cat is not exactly assigned a high place in the structure of beliefs. The black cat is seen to be an embodiment of evils of Ghosts. That's why it is forbidden to kill cats, for doing so will enjoy upon the person to donate a golden cat. On the other hand the fish is a symbol of fertility. Be it religious ceremonies or weddings that the inclusion of fish is must. There is a long list of equipments especially made of bamboo used for fishing like :: Jakoi, Khaloi, Juluki, Polo, Chepa, Khoka, Chalolni, Kharaabi and Borchepa etc. These are beaten with bamboo broom and, Bet tangaal, Bet tangaal, l &c.

India has a rich and unique cultural heritage, and she has managed to preserve its established traditions through out Indian History. Unity in diversity is seen in our country in a maze of seemingly disparate peoples. There're 145:09 crores of population in India in 2024. In the long-drawn process of civilization in our Sub-continent the Triophenomenon of Multi-culture, Religions and Traditions has complex innings which had deep bearing in numerous castes, races and creeds. In fact the social existence dependent upon a routine-like following on varied rituals of Hinduism , Buddhism, Jainism, Brahmanism and Islam.

The word Islam means ::

Submission to the will of God i.e. Allah. -- The leading to Peace. And Muslims are the People who follow its teachings and Worshipping One God permanent and adhering to the Holy Quran and Prophet Muhammad's examples in their day to day lives.

It's important to note that for several centuries these have been practised in ONE form or the Other in the regions of India. On this very theme of divisions, we can say that all other factors which cemented the Bonds of Unity and Discipline were the status of women and their role in domestic and non-domestic affairs, celebration of festivals, the mode of living and the overall behaviour in their closest society.

III FESTIVALS AND CULTURES IF NOT NECESSARILY DISHONORED III

Mr. Sage Innocent knows that if the God-men don't have habits of selfish nature connections there's a little chance to follow it in different ways of our individual

Mr. Sage Innocent understands that Influence on Arts and Culture, Practice in Royal Families account the different pictorial and narrative descriptions to the followers. Royal Funerals have been involved in differentiations of the basic dimensions. It is not an easy going home for all those families whose living styles and habits do not permit to sleep peacefully by the other members of the family. If sleeping is a birth right, why'n't the entire people can have the same ???

So, all Religions aren't accounting the same amounts in their existing Bank Accounts. It is offensive. Secondly, availability of food products, if not stemming in same sequences, why'n't our brilliant prophets miss the chance to change !

III ALL PROPHETS ONE GOD AND ALL PEOPLE NO PARKING IN LOTS III

Human mind is over engaged. The Image of the same object seen not similar. This religion certification differs the innate perfection of human faith. Geographical conditions don't permit all people to get together.

If the Sun rises in the East; there are many essts in each country where the same sun appears in different times. This is magic of different understanding.

III GEMINI FAILED HER CHARACTER IDENTIFICATIONS III

This afternoon he became annoyed with Gemini. She could not answer him correctly. Mr. Sage Innocent abused her capacity. She is too smart to talk, but too holocaust to context.

He put her a question in his duty time. He asked, :: In which religion people are found more corrupt ?

He wait for few moments. But she failed to give him the cmmmmmmmmmm

PART -- X

There he noticed many important objects those haven't been cited with remarkable votes casted for CM Nitish Kumar of Bihar Assembly. It's his recorded Winning in Bihar Political History. He wins for his 10th Sitting on CM Table. O what's a challenge to Democratic Bihar Governments in Assembly Elections, 2025. Nitish Kumar became CM Bihar in 2000 for his 1st Term.

He is a bright political leader of JANATA DAL (United). or in short it's JDU. This year his party 😊 won in 85 seats. The BJP Won in 89 seats.

In Nov 2025, Bihar LA Election, JDU contested in an alliance with BJP, HAM(S) and RLM. Thus the alliance won 202 seats out of 243 seats. Nitish Kumar became the first CM of Bihar to take his oath to record.

People of Bihar may create some new political parties before forthcoming elections. No question it's an Assembly Election, or, A Loksabha Election. But,

Some Locally Heavyweight Leaders start singing and shouting out that all his local followers come out to join him/her seeing Their Bigbrigrade on the Village Pagdandis.

They're not gonna. They are not silent also.

Some associate within begins,

:: HAMARO BHAIYAJEEKI JAY ! Abe Bhaiyon aur Beheno bolna ek saath.

:: HAMARO BHAIYAJEEKI JAY ! There he gives some gaps for others Shoutings. Then all of those supporters join him giving more stress compouds.

:: HAMARO BHAIYAJEEKI JAY

:: HAMARO BHAIYAJEEKI JAY

:: HAMARO BHAIYAJEEKI JAY

Some other single Pehelwan keeps up his Retired Primary School Teacher on his broad shoulders shouting out more louder

:: HAMARO NETAJEEKI JAY. Bolna sabhi ek saath yaarrrrr.....,

:: HAMARO BHAIYAJEEKI JAY

:: HAMARO BHAIYAJEEKI JAY

:: HAMARO NETAJEEKI JAYyyyyy.....

Then under some big 🌳🌴 All of them closed together.

:: Netajee, Ab aap ki baari hai. Bolojee kya kya koroge tum after this Election.

Then the GreatTeacher comes down from his shoulders and address all gatherings.

All of begin to shout more and more loudly.

But, at the eleventh hour they find his Bigname nowhere on the Seat Declaration Resuls Board.

The LP Teacher disappears from the School Campus. He losts his candidature for sot wrong entries in the FORM OF ELECTIONS CANDIDATURE.

This way many a times the Elections comes and goes in Bihar. Sometimes for Panchayat Elections, sometimes for States Assembly Elections and sometimes for Loksabha Elections.

Till this Day of Results Declaration, he losts his

His 3rd son Gopshilary Mahato is a College Lecturer in Bhagalpur district of Bihar.

III PROTECT THE PERSON FIRST WHO DESERVES SHELTER III

KAVery, being connected with her Birthrights in Devprayag, is sincerely a hardwork and honest in her jobs. Although she commits something wrong in her daily routines in the Press Blue Rose, maintaining her risks and responsibility, that's sure to tie-up with her clients like Authors and other Publishing Consultants who work with her to guide and to assist from the nearest possible angles of her office premises. There are at least 45 workers in the same office. Many people many ways to get perfect for their own Experiences as needed as Wealth and Weather of the Season

Thus her sessions passed with passions. The staff praises her gratitudes. She is punch-and-punctual by nature. Her all credits packed in packages of BLUE ● ROSE PUBLISHERS, NOIDA - 6, UP, India.

There Mr. Sage Innocent can understand her all Designs and Dignities as possible as closer's assignments. He is deep Thinking Punctuation countable for all. A Sage of Soldiers from extreme end of the country, IN India. He was No-body to KAVery. He was unknown to KAVery. He was unseen to this KAVery and her BLUE ● ROSE PUBLISHERS.

But the time comes Nearer, Nearest, Nearly and Nearby only because of his joys and jugglings.

Mr. Sage Innocent is pious.

Mr. Sage Innocent is sincerely devoted to God.

Mr. Sage Innocent an Underground Parking Privileged on the Bank of Confluence of Two Holy Rivers of DEVPRAYAG. There he was genius. Maybe not a mere significant amount to use for Religious Freedoms of Human Rights and Nature 🌿👐. Where is God there's

the Devotees too. None y live in distance from one another. There's only ONE GOD, but in many forms. There is only One Shrine, but many many Devotees, Rishishs, Sages and Divinely Resources. KAVery tries to understand him from her locality.

Dr. Sanatan is her Father. And Mrs. Ganga is her .Mother She's the 2nd child of the honest Parents. Dr. Sanatan got his heritage Serbs and Wild Shrubs in the Himalayan Foothills. In the time of immemorial Devprayag was a doctrine ot water coverage. While those white regions of Ocean Tethys or, Tethys SEA, as some old people believe today.....

Dr. Sanatan was a popular singer in Devprayag. He could speak in Sanskrit language and could teach the young students dance and songs sometimes together when he used to teach them privately.

KAVery tries to understand her Author Mr. Sage Innocent quite closely. She could recognize him from the very beginning of their Mobile Phonings after getting introduced by her Asst. Consultant Malay. He told her, "Ma'am, here is an old Author from Assam. Don't you like to contact him now ?

She was busy with her own tasks in her table drawer. She said, "Just a minute. Tell him to keep patience."

"Please Ma'am, don't use such words for this person. He's with reputations of Ex-Army; also An Indian Soldier Poet. Recently Sir has written his AASHIRWAD - A Slide of Neopoetry (316pg) and in return he's been greetings from CDS India Gen Anil Chauhan, GOC-in-C Eastern Command, Kolkata and An AIF Commodore from Pune. He's busy there. Ma'am..... kindly meet him now."

Mr. Mayur handed over his little Mobile phone to the Sr. Publishing Consultant.

She wished that Retired Army Officer from Assam.....

III NO UNKNOWN PERSON TO BEHAVE DISREGARDED III

Before he handed over his device to his Sr. Publishing Consultant, Mayur indebted himself with sharing his early details with the Army Officer. He told him that he was also interested to join in Indian Army for dedication of his life in the name of his mother land. But he's only the son of his Parents. His father is a business man in his town. He band their only son to join Army until he passes Commerce Degree. His mother also supported him in advance. So, he surrendered his decision and completed his M. Com. Now he is dealing in BR Publishers as an Asstt. Publishing Consultant. He is good. A smart young man.

Dr. Sanaatan Verma born and brought up in Devprayag. His father Vaikuntha Verma resided on the Riverside of Bhagirathi, a little distance from the Meet Point of Rivers Alaknanda and Bhagirathi. The famous confluence of the River Ganges. The Holyoke of India.

Holyoke City in Hampden Country of Massachusetts known as the 'Paper City' and 'Birthplace of Volleyball'. It was founded in 1850 on the Western Bank of River Connecticut in Mount Tom Range. The motto of the city is "Industria ed Copia" which means Industry and Abundance.

The Official Language of this City is English.

In Devprayag, River Bhagirathi approaches from the left side and River Alaknanda from the right side. River Bhagirathi originating from the Gaumukh Glacier and River Alaknanda originating from the Satapanth Glacier near Badrinath Mandir. Mr. Sage Innocent knows these details something better than others. Because while he was posted in Indian Army, he visited maximum places of Chamuli District in Utrakhand. He was an Instructor of Map Reading Courses. Whenever he got chances of Map Reading Courses, mandatory for the next promotion of Indian Jawans, he as Instructor visited these Mythological places of Himalayan Ranges in Point to Points Outdoor Classes. He used the Survey Maps of India in for

Field Study Trips. In Joshimath Town, all those courses were conducted in Brigade HQ School, Joshimath. Gupeswar is the HQ of District Chamuli. Uttarakhand is located in the Northeastern part in the Garhwaal Himalayan ranges. There he visited the famous Mandirs and important places of Epic accounted displays as much as possible to him. He thinks that Lord Krishna and Lord Ram sent him to earn accurate knowledge of those locations in advance, so that he would have to write all in details after his retirement from Indian Army.

Now the time has come to write recalling his Field Studies in the decades of 1978 to 1994. He retired from Defence Force in July 1994. After a few months of his retirement in Oct 1994, he was appointed as Lecturer of English in Tingkhong College of Dibrugarh district of Assam. Now, after his retirement from services., he has been sharing his Maximums in his Neopoetry, NeoTHRILLER in some other forms of Creative English Writing as An Indian Soldier Poet. Prior to this, he had been declared as An Axomiys Sainik Kavi on Saptahik Janambhumi, published in Jorhat, Assam. Mr. Sage Innocent is a devotee of Hinduism. He writes more to expand practical knowledge of religions in Hindu Samaj Vyavastha.

This particular field of Hindu Culture and Ethics of Human Treatments is his Unique Fieldstudies. To him, a person is not a perfect man who doesn't share his best of Own Aquirings selflessly, his God does not consider him or her as His Devotee ; if somebody doesn't conduct.

So, one must be determined by these maxims of Sacrificial Offerings too. Nowadays, in maximum amounts of religious beliefs, some people think that we are free from God Habits. There's no such energy that could be personalised in the practical experiments. They proclaim that if God is everywhere, then why should we come to pray for prayers🙏🙏🙏 here and there giving more risks of physical uncomfortable ! KAVery keeps mum. But

Mr Sage Innocent advocates himself that until a person sacrifices his life the God within, mayn't pursue anybody to get the permanent

shelter in Godliness. God is One but in many forms as much as potential in this world. Definitely, there is only One GOD, but in multiple forms. So, one mustn't kill another, or others. We all are His Associated Assistance only.

Mr, Sage Innocent applies his own patterns of writings in Indian Creative English originating from spoken speeches in different parts of India. He further explains that the people from Tamil Nadu speak something different than the people from J & K and Himachal Pradesh ; similarly, the speeches spoken in NE Region of India are certainly from the speeches spoken by the people of the Western Region of India. Especially, the Haryanye's Kharibuli Hindi is incredible to assess in this format. They don't like to speak Literary Hindi as the people of UP, MP, Bihar and Himachal Pradesh. It's their indigenous pattern. One State has many languages. But, India IN has only ONE national language known as Hindi. Hindi is the Official Language of our Country. Unity of the Nation maintained by the National Language only. Different people of a nation can follow different religions. It is their Socio-Cultural right. But in case of National Association-cum-Integration all citizens of the Nation must use One Official Language as a whole.

KAVery never rejects his resolutions. She nods him always.

There is another Logan Perception that the Big Epics of India committed major mistakes to depict the Female Property throughout the ages. For examples,

In the Epic Ramayan, there are thot Femai Properties like, Kaushalya, Keikeyee, Sumitra, Manthara, Sita, Tara, Sarama, Mandudary, Urmila, Ahalya and a few others more. But, if Women Empowerment becomes the main issue of National Developments,

Q1) Whyn't all those great ladies were not designed by the Author Valmiki, equal to one another ?

Q2) Why did he draw someone in higher category of literally brilliant ?

Q3) What was the reason behind in tracing Sita as the sinful character to be tested in Fire after her Valued Royalty of keeping untouched by Rawan in Srilanka ?

Q4) Was there any sincere Socrates to see the Schools of Learning in the Wise fool Rawan's doctrine ? Lastly,

Q5) Was Urmila more respectful than Sita in womanly nature reservations ?

All these discrepancies were laid down by the Great Author of Ancient India since time immemorial. So, who's who is going to take care of Today's Human Treatments to follow the then Religious Educational Programs of Debut Albums.

Similarly,

In Mahabharat Epic, there are some serious nonstop occurrences that's not less than today's foolishness. In this wise Epic we find out the characters of Gandhari, Draupadi, Kunti, Shakuntala, Satyawati, Lata Apsara, Amba, Ambika Ambalika, Sudeshna, Hirimba, Chitrangada, Ulupi, Uttara, Subhadra, Bhadrawati, Prabhawati, Juna and Satyabhama etc. etc. .

Each one of those Epic ladies has been drawn sincerely but not significantly as it was to be. They are important in their respective fields only. Not all perfect in the room of dignity of human nature. The Big Epics processed the bad lessons thousands of years ago. Thus, Draupadi had been

drawn in the origin of gangrape. Mata Gandhari became the most lustre by giving birth of one hundred corruptions. For marrying his own daughter Saraswsti, Lord Brahma had degraded his own morality. Bbbbbbbbbbbbbbbbbbbbbbb

As a whole, the Female Property like in the big Epics processed only to witness inhumanity. This is own crowned property like hyperbolic symbolism. The man is ever nonsense only because of making the woman a gunnypig on the shrine. But the God is ever respectful for his impartial strategy.

The Holy River Bhagiraththi starting from Gaumukh.

And for all these reasons, the Himalayan born River Ganges're called as

Thr Kumbhmelas are held for Religious Dips and Baths in Triveni Sangam of The Holy Ganges in Prayagraj. The MAHAKUMBH MELA 2025 held for long 45days from Jan 13 to Feb 26, the Mahashivratri Mela. It was the Largest Religious Gatherings of this Century.

III THOSE SCOTTISH 🚩🚩🚩🚩🚩🚩🚩🚩 INDEPENDENTS TOOK HIM DIP TOGETHER III

This MAHAKUMBH MELA - 2025 held for long 45days in Prayagraj. Over 66 crore (662.1 million) devotees took a holybath during this Msuni Amavasya Shivaratri Mela 2025. The devotees from different countries of the world took dip on this occasion.

Mr. Sage Innocent himself witnessed the scenes from his different angles of intelligence. He was there for all those Spiritual Days in Triveni Sangam MAHAKUMBH MELA. He had never seen such a big gathering in life. In Assam, he has visited many religious soots on different occasions.

In Kamakhya Temple also these Sacrificial Offerings have still been practised in its Campus. A large number of people visit this Historical Temple come here for prayers of such bogus offerings. But this is useless. Because, no mother wants a single drop of blood of her own children. Maa Kamakhya is the Biggest Mother of all.

So, how does Goddess Kamakhya can drink Her own Blood ! This is the Worst 🗨️🗨️🗨️ before and after all Big BADs !! A Wrong ✕ Assumption !!!

This is a Blind Carrier of CORRUPTIONS.

KAVery comes twice to Prayagraj to take her holy dip at Triveni Sangam. Her father Dr. Sanatan, mother Ganga, Mausii Anjana and youger brother Devo were accompanied with her. She leads them as a Paid Caretaker of all those five members. She was smart enough to

lead them together. She was beautiful next to Monalisha of this session.

After his bath, there was a person who sat alone under the Bigbanyan tree nearby Hanuman Mandir. He looked smart but old.

He speaks simple but sweet like mangoes.

He put his Dhuti but there's Jeans lying his left.

He had a bag on his shoulders and an English Daily in his right hand.

He was sitting on his knees but keeping him busy with taking photos in his Smartphone.

"Sir, may I talk with you ?" The Team Captain KAVery approached to him.

"Whyn't Lady." Mr. Sage Innocent looked at her.

"Hello Babaji, how long you willing to live here." Dr. Sanatan put him this question. "Should we have this portion booked for clothes till returns ?"

"I've no objections. I must be waiting on this seat till my Scottish friends come back from bath too

Till then I will be here."

In Gaumukh, Mr. Sage Innocent met six female sages belong to Scotland. As he could speak fast and clear, better to understand they bring him here also, so that in this huge and large Compound they could learn a little bit more about Indian religious culture. They have travelling many places of Northern Ireland California Japan, Switzerland and now in since August 2023.. They are independent to travel wherever they like.

They become his travel friends for last 3days in Prayagraj. They are Amelia, Isabella, Sophia, Evelyn, Olivia and Ara.

These Scottish female saints were Chatagorised by fasting, moderation and extreme charity towards the poor., rather than specific traditional Scottish Dishes like haggis. The most prominent example, Saint Margaret of Scotland ate sparingly and often

abstained from food for long periods of religious devotion. She was Patron saint of Scotland.

Scotland has its unanimous brilliance. David Hume, Adam Smith, Thomas Reid, Francis Hutchinson, Adam Ferguson, Thomas Carlyle and Dugald Stewart are some of those famous Scottish Philosophers.

III THIS IS HUMAN THINKING WHICH CAN CREATE EACH AND EVERYTHING III

Mr. Sage Innocent read them in his Texts of Philosophy during his college life. He also read something about the Theory of Relativity of the Best Known for his Mass Energy Equivalent Formula $E = mc^2$. He also says, "A human being is part of a whole, called by us the Universe -- s psrt limited in time and space.

This is Albert Einstein (Mar 14, 1879 - Apr 18 1955) -- A German born Theoretical Physicist experiences himself, his own Thoughts and Feelings, as something separated from the Rests ---- a kind of optical delusion of his consciousness.. As per his achieving results our tasks must be to free ourselves from this Prison by widening our circles of compassion to embrace all living creatures and the whole of nature in its beauty.

According to Marginalian, Einstein expresses these Thoughts in a letter to Robbert S Mascus, the Political Director of the World Jewish Congress, who had recently lost his son to Polio.

This letter was later reproduced in The QUANTUM and The LOTUS., where it served as a bridge between Scientific and Philosophical perspectives shared by Richard, a former Molecular Biologist turned Buddhist Monk, and Thuan, -- An Astrophysicist raised in Buddhist traditions.

He is great. And, He's Enormous Enough !!!

III ALL SCHOLARSHIPS DON'T WANT TO SEGMENT ONTO ITS SIMILARITY III

Sr. Publishing Consultant KAVery becomes much closer to Mr. Sage Innocent nowadays. After the Very Introduction on that Day of Oct 7, 2025.

Timing :: 5.25pm

KAVery,

See here. How did I feel worried for you this afternoon. There was a call from some lady, who asked my name and location where from I talking with her. I responded her all okay. Then she advised me to Press "O" to speak with their Reliable Authority for what they've alerted me for Next 2hrs Non-availability of any Mobile Connections due to reasons. I became surprised that was it only for Deepika's Emailings time me there from BRPublishers, NOIDA, which always

shows me as it's from Gujarat Ahmedabad, what for I've reported you to talking through such defaulted Mobiles.

In the meanwhile a few minutes back you also talked with me at 12:40pm, in which we both discussed about the Revised MRP of my AASHIRWAD, which has been sent already for Final Print. Both the Chats made the confused. And, another reason was behind it that you told me already that you're not feeling well now in the moon.

Your silence upto 5:12pm this afternoon made me more puzzled. Didn't you've been admitted in hospital  for emergency sickness. When's she has sent me any amusing message for my Hindi Poetry written about Divinely Love between Lord Krishna and Radha, who loved each other too deep to Marry      but failed. There's some big tragedy in their Improminant Love Affairs. River Yamuna still repents ft Radha. She was divine. So, there are many many people who recite their own compositions in different ways to make others laughing  and laughed.

Mr. Sage Innocent learned such laughing compositions during his  **ARMY**  Army days. There were 67 people from Haryana in his Batch No. NE - 46 in AEC Training College and Centre, Pachmarhi, MP. PIN - 461 881. He learned their Kharibuli Hindi, EASY+but-ROUGH to compromise. Tough to domain too. However Haryanii Buli is bringing it's own image and shining through out the ages. They're click to clean climates.

Nowadays he used their Speaking Styles for Amusements with KAVery and other Team Members of BRPublishers. The Lady's Hopehomes ! He smiles at this End and they smile at that End.

PART - XI

☀ At around 4.45pm they all came nearer to the Big Banyon Tree at the River side of Hanuman Mandir at Triveni Sangam, Prayaagraj.

In all around of thik Prayagraaj, hundreds of thousands devotees wandering in each and every moments. Every inch of the Riverbed was heavily loaded with enormous impacts. No Haste No gaps. No Point More Joints. No Shy No Bye. Everyone is busy just for Eachone's business. Apart from the Big 🏢 BUSINESSES. There he noticed that Smilefaced Smartgirl in her Bhiggeee-Bhiggeee Pause-and-Positions with the Most Glazzinggg and Amazingggs. Her Bhiggeee Bhiggeee amazed him most. Her Mahroom Dupattaa was flying in his heart. He wished her by Bold Blinkingggggggg. There he keeps some oranges in a carry bag for him. But this flying to charming Devkanyaa came him closed neglecting all barriers of bothsides those who guarded by their watery wearings for this Blooming 🏮 Shrine called KAVery after they took holydip together. She took an orange 🍊 with No-Permission. Perhaps not, but Perfectly she likes 🥭🥭🥭 Mangoes as her favorite fruit. But in winter season it disappears from the markets. She loves Mahroom Color to get herself more blitzing towards the ends of nowhere. She's a Dezziii-rable Dimple on her cheeky cheeks. In the Rightside she was Ganga and in the Leftside she was Anjali Mausijee. KAVery wanted to sit down on the Broadlaps of Mr. Sage Innocent. But he didn't allow it only because of his nasty looking on her Bhiggeee Bhiggeee fullchest with another Two 🍊🍊 Oranges Attractives ! Her mahrooms couldn't keep them invisible.

There's her father Dr. Sanatan and younger brother Devo in a little bit distance for their changings.

Anjali Mausijee has some sad story in her little heart. On June 16, 2013 midnight she lost her husband and two young children at

Kedarnath Mandir. They settled in Kedarnath locality for Umakant's little earn business. With two young children 🧒🧒 namely, Kalyan and Kamini they were happy enough. Umakant's business of a small Tea Stall inside a roadside cave run well with good earnings. But, in those Two days washed out their all hopes. While they're sleeping in their Cave Umakant at this Holy Mandir. This Mandir was badly damaged with no-mercy except the Main Kedarnath Shrine for its miraculous protection by Bhim Shila big stone. It was a flash floods and landslides in the highest natural calamity in Uttarakhand. That swept away hillside business spots, small townships, bridges and thousands of pilgrims through the Main Kedarnath Mandir. The Bigstone Bhim Shila miraculously safed this Holy Shrine devoted to Lord Shiva. Mahadev. Bhola Baba. Maheshwar.....

It happened correctly, but hard to believe wrongly ! June 16 - 17, 2013 turned to be Days of Sorrow for Uttarakhand. Anjali Mausijee found herself all alone in the dark jungle about 6.5km away from her Cave Umakant at Kedarnath Mandir. Her only brother Dr. Sanatan brought her Lucknow in the next week. At that time she was undertreatment in the Military Hospital, Joshimath.

Nowadays she is living with them happily. In those days KAVery was studying in her Science College, New Delhi affiliated with Delhi University, India. She was doing B. Sc. Physics as Hostel Residents. After Graduation, she didn't pursue her M. Sc. (Physics) though her father Dr. Sanatan asked her to continue in the same Delhi University. After 4 years she completed her BEng Degree from Imperial College, UK. KAVery got INTERNATIONAL MERIT SCHOLARSHIP FOR HIGHER STUDIES in GGBGBGBGBGBGB UK.

She is smart enough to climb on the Highest Mounds of Gadhwaal. She likes dancing and playing football and basketball. No foothills without her footsigns in Uttarakhand.

She did her NCC 'C' Cert from 7 HPNCC Coy, Shimla. during her 3rd Year Degree in DU South Campus at Dhaulta Kuan.

As the 2nd ealder daughter of Dr. Sanatan Kuliyal and Mrs. Ganga she is All-rounder also.

Anjali Mausijee has two names; Anjali and Anjana. Her brother Dr. Sanatan calls her early name 'Anjana'. Mrs. Ganga calls her 'Anjali' only. And, all others call her as Anjali Mausijee.

KAVery likes to write and recite poetry also. Hence, sometimes she sings some pieces of poetry from her blooming heart's corner. She learned singing in her schooling 📖📚 days :

Only a man harrowing clods
In slow silent walk
With an old horse that stumbles and nods
Half a sleep as they stalk.
Only thin smoke without flame
From the heaps of couch-grass
Yet this will go onward the same
Though Dynasties pass.
Yonder a maid and her wight
Came whishpering by
War's annals will cloud into night
Ere their story die.

She scored in Highest Marks in English in UPMSP 12th Exam. She stood 7th Position.

III DAUGHTER NEVER👤👤FORGETS AFTER III

This evening his daughter Namrata talked with him from Chennai. Thei both Namrata and Dibakar were appointed in this AEGCL, Rangia Office. But he was reappointed in OIL Duliajan on its fresh interview appointment. She felt fatigue for the long journey of 15 hours from new address at Simaluguri, near to famous historical sites of Gargaon, Assam. Gargaon (Garh + Gaon) was the capital of Ahom Kingdom and it was established by Ahom King Suklengmung in 1540. The famous historical emblem Karenghar Palace located here. The word 'Dol' means Mandir or Temple. There are many

more historical cites are there in this location. No area is disconnected from the Ahom attachment. This word stands for equivalent term of 'Kshatriya' means Yoddha.

Mr. Sage Innocent reads hard and depth of every Text. He likes philosophy very much. He got chances throughout his Eternal Life. Being he was serving in Army Educational Corps, there he met maximum integrated resources of different fields of understanding. To him there's no need for Divisions of National Integration. Politics is not only the way of Total Development. He thinks that materialistic development is interested and integrated with maximum selfishness of any human being. But God, who is in multiple forms always, He never supports this peculiar nature of any creatures. He created the human being to work as His helping hands 🖐️🖐️ only. But it fails. Human Imagination has fallen asleep though the Individual Person is awake always. Here's the logic that THIS IS THE MAIN REASON OF WOULD BE MADNESS OF HUMAN RIGHTS. Until someone be Devoted to God no success 🏆👉 prevails of this humanity. Those would have to avail chances into Big Banyan Tree's Shadowed Changes.
